No. 63. Read the following letter from the Secretary Board of Examiners, to the Chief Secretary to Government, Fort Saint George; dated Madras, 27th February 1867, No. 123.

honor to submit (1) a Statement showing the present establishment of the Board of Examiners and the establishment, per-

manent and temporary, to be retained for the future under the orders of the Central Committee for the Examination of Assistants and the Director of Public Instruction, respectively, and (2) a Statement showing the services, &c., of the servants on the Board's establishment, whose situations will be discontinued on the 1st proximo. The Accountant General has been requested to verify the periods of service entered in the latter Statement, and his reply will be submitted to Government in due course by the Secretary to the Central Committee for the Examination of Assistants. It will be observed that two servants are entitled to pension and ten to gratuities; that two have obtained other situations; that six will be retained permanently under the Director of Public Instruction and the Secretary to the Central Committee, and five temporarily under the latter Officer.

2. With reference to paragraph 4 of the G. O., dated 16th January 1867, No. 65, I am directed to report that the only records considered worth preserving are the lists of Civil Servants sent herewith. Copies of all papers of importance connected with the duties of the Board are to be found in the Government Office, the bulk of the records have consequently been destroyed under the orders of the President. Those of them relating to the examination of Assistants since 1863 have, however, been transferred to the Secretary to the Uncovenanted Civil Service Commissioner, and those relating to subjects connected with the Educational Department to the Director of Public Instruction.

3. The Library of the Board, under the orders of the President, and the Library of the Oriental Manuscripts, in accordance with the instructions contained in the Government Order, dated 20th February 1867, No. 128, have also been handed over to the latter Officer.

4. The Secretary to the Uncovenanted Civil Service Commissioner has represented that it will be a convenience to him to be permitted to occupy, temporarily, one of the rooms to be vacated by the Board's Office, and as the Director of Public Instruction makes no objection to the arrangement, one room will accordingly be transferred to Mr. Grose, and the other will be occupied when vacated by the Assistant to the Director of Public Instruction. The office furniture will be divided between the Director of Public Instruction and the Secretary to the Uncovenanted Civil Service Commissioner, and the Peons' silver badges have been forwarded to the Mint Master, with a request that their value as old silver may be credited to Government.

*Proceedings of the Madras Government, Public Department,
9th March 1867.*

No. 64. ORDER THEREON, 9th March 1867, No. 254.

The Governor in Council approves of the arrangements reported in the foregoing letter. Applications in the prescribed form, on behalf of such of the servants on the establishment of the late Board of Examiners as are entitled to pensions or gratuities, and have not been otherwise provided for, should be submitted with as little delay as possible.

2. Under the arrangements now sanctioned, there will be an immediate decrease of expenditure of Rupees 545 per mensem, and an eventual decrease of Rupees 735, the establishment of the Board of Examiners, including that of the Office of the Commissioner for the Uncovenanted Civil Service Examinations, and of the Library of Oriental Manuscripts hitherto under the charge of the Board, having been Rupees 1499 per mensem. The cost of the Office establishment of the Commissioner for the Uncovenanted Civil Service Examinations and of the Committee for the Examination of Assistants at the scale now approved, and which will be submitted to the Government of India for confirmation, will amount to Rupees 713 per mensem, and that of the Oriental Manuscript Library, which has been transferred to the Director of Public Instruction, as at present, to Rupees 51 per mensem, and, as a temporary arrangement, an establishment of Moonshees, at a cost of Rupees 190 per mensem, will be retained for the purpose stated in paragraph 1, clause 2 of the Board's letter of the 9th ultimo.
