Sir

In reply to Memo No 92 dated 19th June 1865 from your Office, I have the honor to inform you that it is not possible to obtain either testimonials of character or an affidavit signed before a Magistrate in support of the services of Kandasawmy Mudali for the periods referred to, as it appears that that individual quitted the District shortly after his services were dispraised with, and has proceeded it is not known where - Application for Pension, however, was made on his behalf with a view, on its being sanctioned to notify the same in the Gazetteer to afford him an opportunity of becoming informed of the Circumstances.

2 With reference to the latter part of the Memo under reply I beg to state that the services of Kandasawmy in the Salem District were verified by the Collector so far as regards the period

which accompanied letter No 2924 dated
10th April 1865 from this office - Information
as to whether the services were of a per-
manent or temporary nature - the source
from which the incumbent was paid
and whether or not gratuity was granted
on the occasion when his services were
disputed with in July 1844, have been
called for from the collector and will
be communicated to you on receipt.

As the break in the service
from 1st to 26th January 1857 immediately
follows the cessation of Kundasani

for reasons stated in the letter above

however was prepared from the
Register of Services of Uncon-
nanted Servants kept in the
late District-Engineers office,
the entries in which were made
from information obtained from
the subordinates themselves &
which were not verified at the

davit that his papers with other
Articles were stolen from him -
His Services under the Salem Col-

as requested your office letter
dated the 3^d instant together with
the papers therewith forwarded rela-
tive to the pension of Candasami
Mudali & to inform you with re-
ference to requisition No 12 at the
foot of the letter that Candasami
Mudali was reduced on the 10th
June 1862 from Sub Overseer 1st
Class 2nd grade, to that of 2nd Class
1st grade on account of negligence
in the supervision of an important
work of navigation, entrusted to
his charge, which rendered it

it pulled down and rebuilt - I am
however unable to inform you of
the Cause of reduction of his Salary
in May 1850, as I have not the Record
of the Road Department in which
he was then serving & that Depart-
ment has ceased to exist, but from
the fact of Fundasani mudaly
having drawn the increased rate
of pay of Rs 35 for 3 months only
while he drew Rs 17½ both previous
and subsequent to the said period,
I conclude, that the increase in
his pay was temporary only & that
it was due to his having acted
in some higher appointment during
that time -
