From, J. A. A. Chase Esq.
Ag. Collector of Kurnool

To, The Examiner of Claims
Madras.

Sir, With reference to your letter dated 30 ultimo,
I have the honor to state that I am unable to reply
to No. 14 as the medical Certificate which accompanied
the Register has not been returned. However I think
to and 18 should bear the date of the medical
Certificate, as that is the date on which the applicant
is admissible to pension.

2 With regard to No. 15, I beg to state
that tho' the applicant was admissible to the good
service pension under Section 7 of the Revised Pension
rules, it was apparently considered advisable, to
obtain a Medical Certificate, in case it be wanted,
lest a flaw in the Applicant's service Register might
deprive him of the benefit of the good service pension.
The applicant resides at a place about 60 miles
from Kurnool. I beg to return the memoranda (4)
dated 7th and 22nd December 1866, and 30th January 1867
as

as requested in No. 16 and regret that the carelessness of the Head English Clerk they were not previously forwarded.

3 I directing to the latter part of No. 16 I beg to state that Dy. Collector D. Timmapa on general duty in charge of the Taluqs of Koilkumta and Pattikonda, reported on the 17th September 1866. that Subbarow, the head gunnasta of the former Taluq, resigned his appointment and that he had nominated another person, Pandi Ram Row, to the vacant post, and recommended that Subbarow might be pensioned. Subbarow reached the Nazim Office at the close of September, and received a certificate from the Civil Surgeon on the 29th or 30th of that month as unfit for further service.

4 Subbarow had passed a portion of his service in the Cuddapah District, so his service register had to be sent to that District for verification, on receipt of which the Register of application for pension was prepared and forwarded in the usual course.

5 As Subbarow will be admitted to pension from the date of the medical certificate (29th or 30th September) the only point

7
point to be considered is how he is to be paid from 1st to 29th or 30th September, I would suggest that his successor be called upon to refund a moiety of the amount he drew during that period to Subbarow, the new incumbent, not being entitled to full pay till the date of the medical certificate.

But if Subbarow's application for pension is taken in the light of a good service pension under section 7 of the Revised Pension Rules, the Register of application for Pension will have to be corrected and Nos 6 and 18 entered as the 1st September 1866 in which case the new incumbent need not be called upon to refund any of the pay he has drawn - as Subbarow will be admitted to pension from the date following his resignation viz: 1st September 1866.

I have the honor to be,

Sir,

Your Obedient Servant;

J. C. Cate
Dy. Collector
