2d Break arises from no fault; in the 3 ^d case, applicant was appointed to another situation in a fortnight; it is obvious he had not misconducted himself. The periods of service passed are caused by suspensions inflicted as a penalty. The periods of service passed under those suspensions must therefore be disallowed, but the claim to one third pension is not invalidated.													
Remarks by collector - This and was put into a post from Colwal.

I do hereby certify that to the best of my belief the applicant's age as above stated is correct.
