it must also be here remarked that as
Nagier he was not locum tenens to anyone.
Such being the case, the average salary of the
5 years is not calculated from the salaries
of all the appointments but from the salary
of the Record Keeper and Nagier after he
was confirmed in the latter he would get
now only 18 1/4 Rupees, but in the other case
he may get 55 or 60 Rupees. he, therefore,
requests your honor to consider his case
and grant him adequate pension for
a good service of 30 years in the Government.
