No. 511. Read the following letter from the Deputy Secretary to the Government of Bombay, Marine Department, to the Secretary to the Government of Madras, dated Bombay Castle, 8th April 1867, No. 209 :—

I have the honour to acknowledge the receipt of your letter, No. 586, dated 26th February 1867, enquiring whether Mr. Smith, Mechanical Engineer, who completed ten years' service as Warrant Officer of the Bombay Marine on the 13th January 1867, should attend in person at Bombay for the purpose of obtaining the pension of 2s. 6d. per diem, to which he is entitled under the terms of his Covenant, and in reply am directed to forward, for the information of the Government of Madras, the accompanying copy of a Report by the Accountant General, No. 245, dated 30th March 1867.

Marine Department, No. 209, Bombay Castle, 8th April 1867.

Letter from the Secretary to the Government of Madras, No. 586, dated 26th February 1867.

Enquires whether Mr. Smith, Mechanical Engineer, who completed ten years' service as Warrant Officer of the Bombay Marine on the 13th January 1867, should attend in person at Bombay for the purpose of obtaining the pension of 2s. 6d. per diem, to which he is entitled under the terms of his Covenant.

Report by the Accountant General, No. 245, dated 30th March 1867.

"Mr. J. Smith, 1st Class Engineer, Bombay Marine, having served uninterruptedly for upwards of ten years, and given the usual notice of his intention to quit the service, *vide* Government Resolution No. 191 of 17th February 1866, Paragraph 26, page 54, and paragraph 14, page 53 and note, of Marine Audit Code, is entitled to a pension of 2s. 6d. per diem, and passage money, Rupees 600, under the Regula-

tions quoted in the margin, provided his conduct has been satisfactory

"2. It is not absolutely necessary that Mr. Smith should attend in person at Bombay for the purpose of obtaining his pension, which can be granted by the Madras Government, on his services being dispensed with.

"3. As it may be inferred from paragraph 2nd of Colonel Orr's letter that Mr. Smith's services are likely to be continued, notwithstanding his being pensioned, it should, it is submitted, be intimated to the Madras Government that, while Mr. Smith continues in Government employ, he cannot draw his pension, that is, if his pay be defrayed from Imperial Funds, nor is passage money payable to him till he is about to return to England."

RESOLUTION—Copy of the report to be communicated to the Government of Madras.
