I, John Bildenbeck, Assistant Surgeon, do hereby certify on honor, that T. Ponnoo = Saromy Pillay, Head writer of the Principal Sudder Ameen's Court, Tanjore, is suffering from Paralysis of the right side, - his constitution is also thoroughly worn out from age, and protracted service. - He has been under regular medical treatment for a month, and deriving little or no benefit therefrom, and as he is not likely to do so by a more prolonged course of medicine, I am of opinion that he is unfit for further active service, and that the above state of ill health has not been caused to the best of my belief by intemperance or irregular habits.

No. 96. Tanjore 27th February 1867

From,
The Principal Sudder Amis
of Tanjore.
To
J. Lushington Esquire,
Accountant General,
Madras.

Sir,
With reference to the letter
from the Examiner of Claims, dated the
18th Instant, No. 133, I have the honor to
forward, in the prescribed Form, a
Register of application for arrears of
pension on behalf of T. Donnoosamy Pillay,
late Head-Writer of this Court, and
to request you will be so good as to
submit the same to Government for their
favorable consideration and orders.

2. The Applicant having
served the Government for upwards of
21 years, fell sick in August 1865, and
was, in consequence, granted sick leave
for nearly 8 months. Finding himself
in such a state of health as precluded
any hope of recovery, he sent in an
application on the 15th March 1866 for
superannuation pension with the usual

medical certificate, obtained from the French Doctor at Pondichery, under whose treatment he had placed himself, he being a resident of that station. Under the impression that the certificate of a Doctor in a Foreign Territory cannot be accepted as a valid document under the pension rules, a reference was made to the Examiner of Claims by the late Acting Principal Sadr Amin on the 7th May 1866. On the receipt of a reply from the Deputy Accountant General dated the 15th Idem, directing the Applicant to proceed to Cuddalore to be examined and treated by the Gillah Surgeon preparatory to obtaining a certificate of disqualification for further service, a copy of the same was forwarded to the Applicant for his information and guidance. He accordingly went and placed himself under the treatment of the Medical Officer at Cuddalore, and after presenting himself before the Medical Board at Madras, obtained a formal Medical Certificate, and on his return from Madras, died on the 17th Ultimo. The widow of

50
the deceased has sent in the Certificate to me, and applied for the arrears of pension due to her husband, which would have been granted to him long ago, but for the unavoidable delay above explained. Under these circumstances, I would beg to submit the applicant's claim for the favorable consideration of Government.

3 I beg to add that the Applicant's services are fully supported by the records of this Court, and that the Charge is provided for in the Budget for 1867-68 under the Head of Superannuation pension.

4 The Medical Certificate is herewith forwarded.
