Query 8. - A certificate is herewith sent in the manner therein directed.

Query 12. Applicant was not degraded - but reverted to his substantive appointment as Head Quarmastah of the Ponnany Taluk on the partial reduction of the Echeat Department, the 35 Rupees post he temporarily held therein having been abolished.

Query 14. References to the records connected with the past services of the applicant which had to be received from several Taluks - and careful scrutiny into them in this office, led to the delay in the submission of the application.

Query 15. Applicant's name is shown neither in the 30th April lists from 1863 to 1865 nor in any of the Bills submitted for sanction in as much as the Establishment was paid according to the late advance system and the charges included in Contingent Bills in which they were.

were shown in a lump sum, & submitted
for sanction from time to time. The particulars
of the items composing such charges were
sent in by the Deputy Collector Southern
Division to this office, and the applicant's name
appears in it.

The Medical Certificate dated 29th July
1865 sent by post miscarried & there was
a delay of some days in receiving it - besides
the applicant had to proceed to a dis-
tance of 40 miles from Calicut to Ponany
to deliver charge of the papers in his
possession, hence his retention in service
up to 15th August 1865. -

The Register of application for
Pension is herewith returned. -

Proceedings of the Madras Government

Read the following Proceedings of the Board of Revenue:-

Submitting letters from the Collector of Malabar with the Board's recommendation that the Collector be authorized to proceed with the disposal of the Jumm right in the Escheated Estates in the District, and to entertain the necessary establishment for the purpose.

No. 98

Order thereon, 30th January 1863 No. 214

1. With reference to the Proceedings of Government 4th April 1862 No. 751, the Board of Revenue submit for orders a letter from the Collector of Malabar proposing arrangements for the more rapid sale of the Jumm rights of Government in the Malabar Escheats.
2. The net proceeds of these rights are considered to be moderately estimated at 20 $\frac{1}{2}$ lacs of Rupees.
3. The Bettnad Escheats have been already taken in hand by the Deputy Collector C. Camaren, and have already produced more than three lacs where only 6000 Rupees had been anticipated.
4. These lands have escheated to Government at various periods, and there can be no moral doubt of the rights of Government; but their

revival and reapportion after the lapse of many years requires judgment and forbearance.

5. The Deputy Collector, C. Canareen, appears to have acquitted himself very satisfactorily hitherto in this delicate duty, and the Government resolve to sanction the establishment proposed for him at a cost of Rupees (659) Six hundred and fifty nine monthly, which will be met as proposed, out of savings in the District Budget for the current year. The requisite Tabular Statement should be laid before Government without delay.

6. With reference to the proposal to employ officiating Deputy Collector Pharmaroyen Moodelliar in the settlement of the Northern Escheats, the Collector will be informed that Government are not prepared to entrust a duty of this nature to an officer who, though possessed of other qualifications, is a comparative stranger to Malabar, and ignorant of its tenures and usages and even of the vernacular language; and he will be requested to suggest some other arrangement.

7. The Board, it is observed, recommend that a portion of the sale proceeds should be devoted to the construction and improvement of Crops roads in the Escheated tracts. This proposal

is contrary to rule, and the Government regret that in consequence it cannot be sanctioned. *HS*

Your Memorandum dated 14th December 1886

Post Audit Department.

Query. 4. (i) In the 30th April list for 1858 the Applicant's name

ought to have been entered as 2nd Police Gymastah in the Kottayam Taluk. P. Kristian Menon's name must have been entered in it by mistake. This fact is borne out by the Pay Abstracts for that year.

(ii) In the Pay Abstracts for 1852 the Applicant's name is entered as Gymastah in Kottayam Taluk on a salary of Rupees 14 per mensem.

(iii) From 1st July 1854 to 12th August 1855 the Applicant was 1st Gymastah in the Nedungomad Taluk on a salary of Rupees 18 per mensem; and from 12th August 1855 to 14th February 1856 he was Peshcar in the same Taluk on Rupees 17 1/2 per mensem. Therefore the 30th April list for 1855 is correct as regards the Applicant's pay on that date. The Statement of Service has accordingly been corrected.

Query. 15 (i) The Applicant's service as Sachedat Inspector from 1st March 1863 to 31st May 1865 is borne out by the Pay Abstracts in this office.

(ii) He has served continuously for that period. But no particular vouchers have been forwarded to the late Civil Paymaster's office from which his service can be checked.

Entry 16. A copy of the Government order under which Applicant was appointed in the Ischeat Department is herewith forwarded. The amount sanctioned in this Government Order was subsequently found inadequate and a further sum was accordingly sanctioned by Government Order 13th March 1863 N^o 502. Revenue Department

Entry 17 The Original Memorandum dated 15th June 1866 was returned to the office of the Examiner of Claims with a docket under date the 1st September 1866, as required by his official Memorandum dated 29th August 1866 N^o 289.

Sir,

With reference to your Under-Secretary's Memo of the 11th Ultimo No. 12, I have the honor to state that P. Gopalen Chari was directed to appear before the Medical Officer before he ceased to do duty. I am not aware what led to the conclusion expressed in the memo under reply that he obtained medical certificate after quitting the service. The Medical certificate it will be observed is dated 29th July 1865 & he retired from the service only on the 16th August 1865, as will be seen from the application submitted from this office dated 25th May 1866.

As regards para 2 of the memo stating no application should be sent on behalf of an individual after he has finally quitted the Public Service,

I have only to state that the delay
in submitting the application for
Gopala Nair was unavoidable, as
the necessary information concerning

that he will not be made to suffer
on that account.

- Report of the Examiner of Claims (— 12th March 1867 No. 425)
- From the Ag. Collector of Malabar (— 15th April 1867 No. 42)

Order thereon 1st June 1867 No. 160.

Perinchi Gopalan Nair
late 1st Gunastah Penang Taluk
retired from the Public Service
on the 15th August 1865 after a
service of 20 years and 7 months,
being declared by the medical
officer to be unfit for further
service; he is entitled therefore
to a pension of Rupees 8-12-0 per
mensem equal to one third of
his average salary during the
last 5 years of his service,
and the Government is, ^{now} pleased
to

Pension 1867

to direct that this pension be paid to him with arrears from the 16th August 1865.

2. The delay in the submission of the application which was not forwarded till the day following the applicant's retirement, is partially explained by the Collector, but the Government cannot but notice that inordinate delay has occurred since the application was submitted; references may have been necessary and the fault may not rest entirely with the account office but it is most undesirable that applicant should remain without pay or pension for ^{upwards of 20 months} nearly two years as in the present case. Even when ^{his application} finally submitted to Government orders could not ^{in it} be at once passed on the case as it appeared from the Medical

125
Medical Certificate that the applicant had not appeared before the Medical Officer until a year after his resignation of Public service; for the Medical Certificate now before Government bears date 25th June 1866 while Acting Collector reports that the Certificate was granted in July 1865.

3. The Govt. ^{will not} ~~discontinue~~ ^{instruct} ~~defer~~ ^{instruct} passing orders in this case, but request that the Collector will explain how it is that the Medical Certificate alluded to in Mr. Hannington's letter of the 16th April was granted in July 1865 while that before Govt. now returned to the Collector is dated the 25th June 1866.
