Madras collector's office.
Sydney 22nd May 1859.

From,

A. C. Burnell Esq
Asst Sub collector of the
Madras District
in charge.

To.
The Honorable A. J. Arbuthnot
Chief Secretary to Govt.
Fort St. George.

Sir,

1. I have to bring the following
Circumstances to the notice of
Government in order that pension
may be conferred on the within named
person.

2. Davood Khan entered the
Government service as peon in the
Periapollim Taluk in 1818, and
was removed to the Buzoor as a Deputy
by Mr. Maclean the then Collector
in 1822.

3. In July 1859 Mr. Shu brick
gave his post to his son as the father
was incapacitated for work by old

age.

4. In May 1860 when the Districts of Madras and Chingleput were united, the applicant's son was thrown out of employment, as his period of service was too short to admit of his being retained in preference to men of longer service.

5. The records available in this office only prove 26 years and odd service, but by the depositions of two witnesses who have served with him one of whom served from 1822 to 1859 there can be no doubt that his application is well founded.

6. No records exist respecting the commencement of his service.

7. As this person would be clearly entitled to a pension had he himself been thrown out of employment at the amalgamation and as there can be no doubt of his service exceeding the required thirty years, as the applicant

39
is exceedingly poor. I have the honor to submit his case for the favorable consideration of Government.

I have the honor to be
Sir,

Yours Most Obedt. Servt.

H. Burnell

Asst. Secy. in Charge.

Edw. D. V. General

It is usual in similar cases
to accept the statement of
the Collector with reference to
the service of persons who were
salaried prior the time
when records of their service were
kept. And as Mr. Burnell
states I have satisfied myself
that this person has served more
than 30 years there is little
doubt as to the case as far as
length of service is concerned.
But no length of service entitles
him to pensionary or compen-
sation allowance. The indulgence
granted under F.W. Resolution
of the Govt. of India of the 11th
December 1863 applies only to
persons thrown out of employment
in consequence of abolition of
establishment^x: this man was
excluded from the service in con-
sequence of inability to serve
longer, and I doubt if it would
be politic to make a special
case in this recommendation.

^x Nor do I see how the fact of his son
having been thrown out of employ-
ment in reduction of establishment
can be taken like the same
thing as his man himself
having been thrown out of employ.

Govt.

Proposed order.

The Govt. regret that ^{they} are unable
to comply with Mr. Burnell's
recommendation. Compassionate
allowance cannot be granted
except to ^{employees} ~~persons~~ thrown out of
employment in consequence
of reduction, or abolition of
Establishment, and the fact
of this Person's son having been
thrown out of employ in 1860
cannot be considered entitle
his father Darood Khan to
Compassionate allowance.
Neither can they sanction grant
of gratuity to Darood Khan
as the rules require that
Persons on whose behalf appli-
cation for gratuity is made
shall produce certificate
of incapacity for further service,
on their retirement from
the service.

The Government regret that they are unable to comply with Mr. Bunnell's recommendation. Compassionate Allowance cannot be granted to Pensions unless they have been thrown out of employment in consequence of reduction or abolition of establishment and the fact of this Pensioner having been thrown out of employ in 1860 cannot be considered to entitle his father Durood Khan to Compassionate Allowance. Neither can they sanction grant of gratuity to Durood Khan as the rules

116
require that Persons on whose
behalf application for gratuity
is made shall produce certifi-
cate of incapacity for further
service, on their retirement
from the service.
