The Civil Judge having relieved H. Soonder Row, English writer, of the charge of the Nazir's Department in which he has acted from the 5th December 1846 to the 7th April 1847 feels it due to him to place on record his satisfaction with the manner in which he has conducted his duties and carried into effect the reforms of which it stood so much in need.

Extract from a statement of the Principal Officers employed in the Civil and Session Court of Madura as stood on the 1st January 1850.

¶ 4 I have hesitated some time between the Nominee, and H. Soonder Row, the Sherestadar of the Civil Court, a man well fitted for the Office, but have thought proper to postpone his claims for the present, not however from any insensibility to his merit, which must ensure his promotion.

This is to certify that Soonderam Distrat Moondiff of Dindigul was under my treatment and observation for a fortnight for Dyspepsia of 8 years standing. He appears to me to be quite worn out, he is emaciated and has an anxious expression of countenance.

MINERVA OF CLAIMS 1867 MADRAS

The undersigned has the honor to acknowledge the receipt of official Memo No 45 dated 15th January 1867 from the Examiner of Claims, Pension Department, and with reference to para 3 of the Proceedings of Government dated 28th September 1866 Pension Department, to report that it is practically impossible to carry out the requirements of the Rule, in consequence of there being only one European medical officer stationed in this District, and is therefore of opinion that the Certificate granted by one medical officer to Sd: Soondra Row will suffice.

Soondra Row will be directed to appear before the Deputy Inspector General on his visiting the Station for the purpose of getting his Countersignature to his Certificate.
