The regular course is for the Collector

SECRETARY TO GOVERNMENT

in the Pension Dep^{ty} Fort Saint George.

SIR,

Chellapathy.

Sir,

With reference to your Under Secretary's endorsement on Petition No 954 of 1867, I have the honor to report that the husband of the Petitioner, it appears, served Government for above 30 years in the penon's grade. In the month of November 1862, he was thrown out of employment during the revision of Guduwada Taluk Establishment according to new scale. A few months afterwards, Chellapathy died before the recent orders of Government regarding compassionate allowances were published. From some cause or other his name does not appear to have been entered in the list of Peons recommended for gratuity to which he would have been entitled had he applied: the amount of gratuity which he would have received would have been 24 Rs at 4 a month for 6 months.

I have the honor to be
