M^r. J. Morgan Rough Proof Reader Government Gazette has applied to me for a certificate to ground an application to Government for a Pension.

I certify that M^r. J. Morgan is suffering from progressive and well advanced Nuclear Cataract of the left eye, and serious disease of the right, which have considerably impaired his vision. This permanently disqualifying him for the performance of his duties.

I further certify that M^r. J. Morgan has been under treatment, and has derived partial benefit therefrom, but not sufficient to enable him to perform his duties efficiently.

I also certify, to the best of my belief, that his ailment has not been occasioned by intemperance or other irregular habits.

Sir, I have the honor to submit for the favorable consideration of Government an application for gratuity on behalf of Mr. Thomas Morgan 2nd Grade Foreman in the Government Printing Establishment.

It will be seen that the applicant has resigned the service in consequence of being permanently disqualified for the performance of his duties: the impairment of vision which has led to his disqualification has no doubt been greatly aggravated if not caused by the nature of his work, and I have therefore to request that the full amount of gratuity to which he is entitled may be granted.

I have the honor to be,
Sir,
Your obt. Servant,
