PROCEEDINGS OF THE BOARD OF REVENUE, dated 16th March 1860.

Read the following letter from J. FRASER, Esq., Acting Collector of Cuddapah, to J. D. SIM, Esq., Secretary to the Board of Revenue, Fort Saint George, dated 8th March 1860, No. 25.

I have the honor to report for the information of the Board, that the Acting Sub Collector has considered it necessary to suspend the Tahsildar of the Cuddry taluq. For the reasons given by Mr. Molony I agree with him in the propriety of this proceeding.

2. The immediate cause of his suspension is reported by the Acting Sub Collector to be neglect of the ordinary precautions for the security of some prisoners apprehended on a charge of gang robbery at Talapoolah in the Cuddry taluq. It is further stated that the Tahsildar "seems to be in the habit of allowing toddy to be given to prisoners and letting them go about the bazar under no restraint." The Acting Sub Collector further states that the present is but one out of many instances of such irregularities, and that repeated warnings have had no effect in rendering the tahsildar more circumspect in the discharge of his Police duties. He also states that the Tahsildar is equally careless as a Revenue officer.

3. From my knowledge of him, I can endorse Mr. Molony's complaints of the Cuddry Tahsildar's inefficiency. He is a man held in no respect by his subordinates, who act towards him much as they like. On one occasion, not long ago, he actually suffered a Duffadar to spit in his face in open Cutcherry without taking any notice of the insult. He is utterly useless as a Police officer for he possesses no energy. His Taluq being on the Bellary frontier is a very important one and requires a man of intelligence and vigor to administer in it; as more highway and gang robberies are committed in or by people from it than perhaps any other in the district.

4. Mr. Molony recommends that he be reduced to some post of routine, such as that of Record keeper. I do not think that a man who has given such patent proofs of unfitness for service, should be allowed to remain any longer in employ of any kind; and as he has served upwards of 25 years, I beg to recommend that he be compelled to take a pension.

The Acting Collector's report shows the unfitness of the Tahsildar for his present office and the Board authorise his removal from it. If the Acting Collector's application for a pension for him prove unsuccessful, as the Board apprehend may be the case, they will not object to his being tried in an inferior situation.

Secretary.

Explanation of Column 8 with quotations of orders of reinstatement.

Explanation of any degradation.

1. He resigned the Office on the 16th August 1839 but was reinstated on the 8th October 1839 on the order of the Sillab Court Judge. the date of the order is not known.

2. He was first suspended, and was re-moved from his Office as per order of the Board contained in Proceedings dated 16th March 1860 No. 1356.

3. He was thrown out of employ from 9th to 19th December 1839 on the return of the permanent incumbent to the Office. He was also unemployed from 1st December 1865 to 20th March 1866 on the supposition that his services for pension were then completed but finding them deficient he was reinstated by the Collector.

The cause of first degradation from the post of Native Registrar to that of Civil Record keeper in the Sillab Court is stated by the applicant to have been from some misunderstanding between him and the Judge - and the last degradation from the post of Sillab Court to that of Assistant of Sillab Court was made with reference to Board's Proceedings dated 16th March 1860 No. 1356.

No. 110
REPORT OF THE Examiner of Claims

Service qualifying for pension is proved for a total period of... Years. Months. Days. 28 3 3

In the last 5 years of his service the average pay of the applicant's permanent post was ... Rs. A. P. 47 5 7

Applicant is eligible to a pension of Rupees 23 - 8 - 0 per mensem, equal to ^{one} of his average salary during the last 5 years, under Clause III Section 46 of the Revised Pension Rules. At the same time the attention of Govt is directed to the fact of his having been degraded on the 16th March 1860 and re-employed on a salary of 3 of his former pay. The applicant's salary for 4 months 15 days viz. from 1st Oct. 1862 to 10th Jan. 1863 from 1st April to 15th May 1863 has been excluded in the calculation of his average salary under the orders of the Govt of India dated 21 July 1866 No. 1475. Hence, as he was absent for those periods without full pay, his average salary during the last 5 years is therefore Rs. 27 - 5 - 7 and not Rs. 23 - 8 - 0 as stated by the Collector.

The application originally submitted was for a grant of pension but as it was seen on verifying his service that he had not 30 years service reckoning for pension the Govt was called upon to submit a fresh certificate in support of the application, this will in part account for the delay in reporting upon a case previously sent by the Collr. in the month of Oct. 1866.
