Financial Resolution dated 25th March 1863, No. 1155, conveying the refusal of the Government of India to the recommendation of the Government of the Punjab in behalf of Mr. H. H. Clarke, who had been transferred from an appointment under Government to be tutor to His Highness the Rajah of Mundee, viz., that the period of his employment in the Mundee State, should be allowed to count towards pension under the Uncovenanted Service Rules.

Financial Resolution dated 19th January 1867, No. 277, deciding on a reference from the Punjab Government that certain servants of the British Government who had been officially and on public grounds transferred to the service of the Bhawalpore State, should be admitted to pensions on retirement under the Uncovenanted Service Rules—the Bhawalpore State being debited with a proper proportion of the entire charge for pension.

Read Home Department endorsement dated 15th April 1867, No. 3814, on a letter from the Government of the Punjab, recommending that the ruling contained in the Resolution of the 19th January 1867, may be applied to the case of Mr. Clarke, and to other analogous cases.

RESOLUTION.—The Governor General in Council is pleased to resolve that when a Government Officer is allowed to enter the service of a Native State for a purpose in which the Government is interested, his service under that State shall count towards pension, whether the proportion of pension calculated according to the period of service in the Native State is chargeable to such State or not. Under this ruling, Mr. Clarke's service in the Mundee State will reckon towards pension under the Uncovenanted Service Rules.

ORDERED that the foregoing Resolution be communicated to the Home Department, and the Accountant General, Punjab.
