No. 44.
The Superintendent of Jail
Trichinopoly
The Superintendent of Jail
Singapore

Sir,
With reference to your letter No. 25 of
the 14th Instant I have the honor to forward
an Extract from the Warder Register of this
Jail. — The numbers run from No. 1 to No. 175
the name of Shaik Emman appears to have
been interpolated between the number of
17 & 18. as shown in the Extract & the original
entry concerning Shaik Emman and
others have been so altered as to shake any
dependance in them. I am therefore
unable to give a certificate & forward the
Extract which may be used for what it
is worth. — The name is evidently an
interpolation in the record & if his age was
originally 44. that would make him now
about 77. you will be able to form an opinion
whether he now appears at that age or about 55.
as the corrected entry would make him. —

No. 17. Medical Certificate

This is to certify that I have examined the Warder Shakh Boman of the Sanjore jail and I am of opinion that by reason of the infirmities of old age he is incapacitated for the active duties of a Warder in the jail establishment and that treatment would in his case be useless.

The infirmity is not the result of his own imprudence.
