Taluk Records

The services of this individual is continuous throughout. He bore a good character, and conducted his duties properly. He being an old man, was thrown out of employment under the orders of the Board of Revenue. They to recommend that he may be favored with the gratuity mentioned in Column 10.

The Services of these 2 individuals have been verified by the Taluk Records & by the documents in their possession. The Huzur Records having been damaged by the late cyclone, it was not practicable to compare the above with them.

The services of these individuals marked with letter A cannot be found in the detailed lists sent to the late Civil Auditor's Office, as they were rendered on account of Zemindary Estates attached for arrears of Diwans.

Remarks

This being an acting appointment the applicant lost it after permanent incumbent resumed charge of his office.

* This is also an acting appointment. It is stated that applicant conducted the duties of Deputy Tahsil-dar & Tahsil-dar for a period of 3 months, but actual dates of appointment, of discontinuance are not known as much as there are no documents to certify the fact or show the amount of salary received by the applicant during that period.

Hence the break: From 2nd October 1845 to 30th September 1847 the services of the applicant were continuous. On the latter date the applicant's situation was abolished owing to the introduction of new Taluk establishment. He was afterwards appointed as Dound Gurnastah in which he served up to 18th May 1866. He being 60 years of age, has been removed from his situation as incompetent on the account. He has a good character, and conducted his duties properly.

I therefore recommend that he may be favored with the gratuity mentioned in Column 10 of the Statement.

Report of the Examiner of Claims.

The services of N. Venkya cannot be verified as only the appointments of Goomastahs and their salaries of Rs 10 for each without specifying their names are shown in the Returns on record in this office. As the Collector states that they have been verified from the Taluk Records and the documents in possession of the applicant, he is eligible to the gratuity of Rs 60 under the old rules for his service of years 20-1-21. The break in the applicant's service from 1st Oct 1862 to 1st March 1863, appears to have occurred in consequence of his service in the Zemindary Estate having been dispensed with.

The break from 25th Oct 1862 to 20 Sept 1862 mentioned by the Collector in the remark column of this list means the service rendered by the applicant in the Zemindary Estate during which period his name could not be shown in the Annual Returns submitted to the late Civil Auditors.

The services of Parega Venkataramanaya having been verified from the records of this office, and those of the Collector of Kistna Dist, he is eligible to the gratuity of Rs 120 under the old Rules -
