Report of the Controller of Military Accounts.

ORDER THEREON, 17th July 1867, No. 220.

Andoovan Mootiah Moodelly, late clerk in the Establishment of the Paymaster of the Presidency Circle, has, it appears, served for a total period of 35 years, 3 months, and 17 days; of this period, however, only 24 years, 6 months, and 12 days is qualifying service, the remaining 10 years, 9 months, and 5 days having been passed in appointments the salary attached to which was Rupees 10 per mensem or under.

2. The applicant was thrown out of employment during the present year, owing to a reduction of the Paymaster's Establishment, and is, therefore, under the rules, eligible, without production of medical certificate, to a pension equal to one-third of his average salary, or Rupees 8 per mensem, and the Governor in Council is pleased to direct that payment of this pension, with arrears from the 1st April 1867, be made at Madras to A. Mootiah Moodelly.

3. The Head of the Department in which the applicant was employed recommends this case for the special favorable consideration of Government, and suggests that half pension be granted to A. Mootiah Moodelly, on the grounds that he has borne an excellent character throughout his long service, and in consideration of the fact that he was prevented by causes beyond his own control from completing the requisite 25 years' service, of which his qualifying service falls short by 5 months and 20 days only, while his actual service extends over a period of more than 35 years.

4. The Governor in Council considers that this is a case which is fairly entitled to exceptional consideration, and resolves to recommend that a pension of Rupees 12 be granted to A. Mootiah.
