From the Collector of North Arcot, to the Examiner of Claims, Madras, dated Poloor, 19th March 1866, No. 3.

In reply to your communication of the 12th instant, No. 5409, I have the honor to inform you that Vaccinator Muthusami was recommended for a gratuity on account of old age and bodily infirmity. After a service of 52 years, the formality of supporting the application for a gratuity by a Medical Certificate might, it was supposed, be dispensed with.

2. The delay in submitting the application is owing to the time taken up in correspondence between the Deputy Collector in charge of the Treasury and the Civil Paymaster, regarding the admission of the Vaccinator on the Pension list, as well as to no reply having been received from the Collector of Madras till October last to a reference made to him, for the purpose of having this Vaccinator's period of service in that District verified.

OFFICIAL MEMORANDUM.

In reply to the Official Memorandum from the Examiner of Claims, dated 7th instant, the Collector of North Arcot has the honor to state that, immediately on receipt of his Memorandum, dated 17th April last, a takid was sent to the Sub-Magistrate of Arnee, where Muthusami Naidu, the applicant for gratuity, was said to be living, directing him to instruct the latter to appear before the Zillah Surgeon as soon as possible, in order that he might be examined and a Medical Certificate furnished to him. In reply, the Sub-Magistrate reported that Muthusami Naidu had left for Tindivanum and other places in the South Arcot District. On this the Collector wrote to the Collector of that District, but has not yet received any reply from him on the subject.

OFFICIAL MEMORANDUM.

With reference to the Official Memorandum from the Examiner of Claims, dated 30th August last, No. 297, the Acting Sub-Collector in charge of North Arcot has the honor to state that the services of Muthusami Naidu, late 1st Class Vaccinator, have been verified from the records of the Taluqs in which he served in this District. His services in the Madras District cannot, the Acting Sub-Collector in charge of that District states in his communication of the 8th ultimo, be verified in his office, as the old records have been destroyed.

2. The Vaccinator's service in the Palmanair Taluq dates from 21st July 1860 to 31st October 1861 (not 1865). The service list, herewith re-transmitted, has been altered accordingly.

Order thereon, 18th July 1867, No. 221.

Muthusami Naidu, late 1st Class Vaccinator in the North Arcot District, having served for not less than 54 years in the employment of Government, retired in October 1864 in consequence of advanced age and incapacity for further service.

2. The applicant would, under ordinary circumstances, be eligible to a gratuity of Rupees 84, equal to six months' salary, under the old rules; but his claim is to a certain extent vitiated, owing to the following causes :—

1st.—Application was not made until November 1865, while, under the instructions contained in the Resolution of the Government of India of the 17th December 1861, No. 14,819, pensions are to be granted on, and not after, retirement.

2nd.—The Medical Certificate required was not produced until June 1866, whereas, under the instructions contained in the Resolution above referred to, the Medical Certificate of unfitness for further service is to be submitted *at the time* of retirement.

3rd.—Adverting, however, to the explanation which is offered by the Collector for the delay which occurred in submitting the application, and which appears to have been caused by certain correspondence relating to the admissibility of the applicant's claim to pension ; and to the fact that the non-production of the Medical Certificate was due to an impression on the part of the same Officer, that a Medical Certificate could not be required in the case of a man who had

spent 54 years of his life in the public service, the Governor in Council is unwilling to deprive this old servant of the small gratuity for which he is recommended, and he resolves accordingly to refer the case for the special consideration of the Government of India.

The service of this individual can be verified from the records of this office only for 1861, but his service of 39 years in the North Arcot District appears to be borne out by the records of that District (Vide memo No. 30 dated 26 June 1867.) he can therefore be granted the gratuity set against his name.

Report of the Examiner of Claims (" — 8th July 1867 No. 9)

Order thereon 18th July 1867 No. 221.

Muthusami Naidu late 1st class Vaccinator in the North Arcot District having served for not less than 54 years in the employment of Govt., retired in October 1864 in consequence of advanced age and incapacity for further service.

2. The applicant would under ordinary circumstances be eligible to a Gratuity of Rupees 84 equal to six months salary under the old rules: but

but his claim is to a certain extent vitiated, owing to the following causes:

1. Application was not made until November 1865, while, under the instructions contained in the Resolution of the Government of India of the 17th December 1861. No. 14819. pensions are to be granted on and not after retirement:

2. The Medical Certificate required was not produced until June 1866, whereas, under the instructions contained in the Resolution above referred to, the Medical Certificate of unfitness for further service is to be submitted at the time of retirement.

3. Adverting however to the explanation which is offered by the Collector for the delay which occurred in submitting the application, and which appears to have been caused by certain

correspondence

correspondence relating to the admissibility of the applicants claim to pension, and to the fact that the non-production of the Medical Certificate was due to an impression on the part of the same officer, that a Medical Certificate could not be required in the case of a man who had spent 54 years of his life in the public service, the Governor in Council ~~would be~~ is unwilling ~~loth~~ to deprive this old servant of the small gratuity for which he is recommended, and he resolves accordingly to refer the case for the special consideration of the Government of India
