Extract of a letter from the Paymaster Presidency to the
Controller Military Accounts N^o 1385 dated 22^d June 1867.

2- I regret my inability to comply with your
request as contained in para 3 of the letter under
acknowledgement. It is unfortunately not having any
marked descriptive marks and that already inserted
being of a very trivial character.

3 There is nothing on record to show why this Clerk
was once dismissed the service but as the period of service passed
to qualify for one third pension is only reckoned from date
of re-entertainment it is to be hoped that the absence of
this information will not prove a bar to your forwarding
the same for sanction.

Chinnatombey Woodellians Chesser during the entire years of his service has been very good. There is one entry in the Record to the effect that he was dismissed for misconduct on 28th April 1849. From enquiries I have made I believe the misconduct to have been of a very trivial nature - a subsequent service of over fifteen years may be held to have cancelled former misconduct.
