During this period he was under suspension for 3 Months from 27th January 1860, and again from 13th October 1860. The second suspension was to have extended over 6 months. But before the expiry of that period, and on the 15th November 1860, the office was abolished; so that a total period of

suspension

suspension of 4 months and 4 days have to be deducted from the above service. Then 12 years, 1 month & 22 days of service remain. The date of 9th October 1861 given in the statement submitted from this office is incorrect. It ought to be 13th October 1860.

Sir,

1 With reference to your official memorandum dated 5th December 1866. No 586, I have the honor to state that the gratuities of those shewn to be dead are claimed by their families and that a statement to that effect is now inserted in each case.

2 The claims to gratuity of Eravakandy Ukappen No 6, Kurumbranad Taluk and of Pattan Abdool Assen No 16, Ernad Taluk, are scored out the former not having completed 5 years' Service when thrown out of Employ and the latter being still in Employ.

3 It is not known whether the individuals marginally noted* have left any heirs behind them and in the absence of any claimants forthcoming their claims are also scored out.
