J. Kristian, Vernacular

Head Moonshee Sub Collector's Office, ap-
plies to me for a certificate of incapacity
for further service on account of age
and infirmity. He states that he
has served over thirty /30/ years: that
he is about fifty one /51/ years of age:
that his sight and memory have lat-
terly become weak: that he suffers
from bodily debility; and that altogether
he finds himself unfit for his work.

I have seen him once or twice before,
tho' from his not having any actual
disease he has not been under treatment;
and from what I know of him I have
no doubt that he is incapacitated
from further duty.

Sir

returning the application for superannua-
ated pension of Godla Kishniah the
late Sub Magistrate of Preeperamathoor)

I have the honor to inform you
that the incumbent was retained in
office after the 23^d October 1866, (the
date on which he was declared
unfit for further service by a
Medical Officer) because there
was a difficulty in getting a proper
substitute for the rather import-
ant post of Revenue Munshy.

2. In regard to query 14 I beg to state that the mark given in the statement is the only one on the applicant.

3. Vide the statement for query 16.

4. G. Kishniak was also called C. Kishniak in the Returns from 1841 to 1844, as he was from Chittambram, G being the initial of his house name Godla.

5. I regret the delay that occurred in the submission of this application, but it was unavoidable owing to the great mass of papers that had to be waded thro' in getting up the details of Kishniak's service.

6. The age of the applicant was calculated up to 9th December 1866 the date on which he ceased to do duty.

7. Further reference to the Record shewed that the leave between

12th

5K
12th June to 6th July 1865 was privilege leave and I have made the necessary corrections in the accompanying statement.

I have the honor to be

Remarks by the head of the Office on past character and conduct of the applicant throughout the service.

The applicant was under me some months. His character and disposition as far as I could judge are good, but he was so inefficient that he could do very little.
