Proceedings of the Session Court of Andial
dated 5th August 1867.

* The records
herewith
returned

Read appeal from the decision
of the Magistrate of Kurnool in
case No. 34 upon his file for 1867

1. The Prisoner's bail has
been heard in support of the
appeal.

2. The Prisoner admits and
it is shown that he quitted the
service in 1849, 18 years ago, —
and that he applied for and
obtained a pension in 1865,
although not eligible. As the
pension was admittedly —
granted on the false ground
that he lost his post on the
introduction of the new
police system, and as the
register showing his service
and other particulars ex-
hibited false statements,
which could only have been
made

3B
Made for the purpose of de-
ceiving, it lay upon him
to prove what he asserted,
viz that he only pleaded
old age as the ground of
his application.

3. Higher Officials in
the Office must of course have
been cognizant of the deception,
(and further investigation
would doubtless indicate
who connived at and fur-
thered it), but this does not
relieve Prisoner from liability
for his own share in it.

T. A. St. George Esq^r

To, Collector of Mumool.

Honble A. J. Arbuthnot Esquire
Chief Secretary to Government.

Fort St. George

Sir,

I have the honor to bring to your notice that I have discovered, this information - received from the Dy. Collector in charge of Treasury, that - one of the persons named - Kaday Sahab pensioned under Government Order N^o 284 - dated 17th February 1864, was not entitled to pension.

Directly I received the information I put Kaday Sahab on his trial for cheating, under Section 407 of the Indian Penal Code, the result has been that I have passed a sentence of one year's - simple imprisonment - upon him.

In looking over the pay abstract.

abstract of October 1849, I found
under P. 35 the name of Baday
Sahab, the remark that he was
dismissed for old age, and
that his son Tannu Baddin had
been appointed in his stead.

In the pay abstract of
November 1849, Tannu Baddin's
name only was entered.

Baday Sahab says he
never did service after his son
was put in his place, and
that he applied for his pension
because he heard all old pensions
were submitted to it.

I believe he knew he
was not entitled, for he could
never have got his name en-
tered into the list submitted
to Government for pension,
without having applied, de-
liberately, for pension, on the
grounds that his appointment
was lost in consequence of
the reduction of the estab-
lishment, on the introduction
of the New Police in 1860.

The

In other half of
the Permanent Paya-
ble order with the
pension sent as soon
as received from
Baday Sahab.

7B
The probable connivance
of a number of the Government
Officials in this matter, and
the silence of others, who must
have known from the con-
tinuement, that, Baday
Sahab was receiving a pension
he was not entitled to, is
very disgraceful, and I shall
endeavor to find out the chief
persons to blame and make
an example of them.

Under these circumstances
I have the honor to request
Baday Sahab's pension of Rs 25
Monthly may be cancelled.

I have the honor to be,
Sir,

Yours most obedt Servt.
