Memo returned
with enclosures
as requested

With reference to your Memo dated
16th July 1867. I have the honor to inform you
that the two Applicants for gratuities therein referred
to are not broken down through any fault or excess
of their own but that they are rendered unfit solely
by the infirmities of old age. Their alleged services
are borne out by the Jail records.

2 The Applicant Sooriamarayanan
Pillay was discharged on a certificate of the Zillah
Surgeon stating that he had paralysis and therefore
unfit for further service on the 16th May 1865 by the
then Superintendent of the Jail. This Warder recovered
from his attack of paralysis and applied on the 9th
September & 9th December 1865 to the Inspector General
of Laib to be restored to his appointment which was
not sanctioned. He then submitted his Application
for gratuity with medical certificate on the 5th
February 1866. Several references were made by
the Inspector General of Laib regarding the period
of his service and designation of his Office and
called for a fresh certificate of health which was
granted to him by the Zillah Surgeon on the 15th
February 1867.

I have the honor to be
your most ⁱⁿobedient servant

J. M. Joseph
Superintendent of the Jail

ORDER OF GOVERNMENT. 21st August 1867 1867.

The Governor in Council sanctions payment to Marjane
 Marjane's wife Mary &
 Marjane's son (one)
 Madras, the applicant having been employed
 Marjane's son (one)
 16 years service, in consequence of old age and
 infirmity.

2. It is observed that the applicant was found to
 Marjane in May 1865, and that the Medical Certificate
 was submitted is dated 15th February 1867.

It appears however that a medical certificate
 declaring the applicant to be disqualified by para-
 -lysis was granted at the time of his retirement.

* That a medical certificate was again granted
 when the Marjane applied for pension in 1866.
 after failing to obtain employment. There can
 therefore be no doubt that the Marjane was
 disqualified for service at the time of his retire-
 -ment, and is so now.
 The delay arose in part from the Marjane's attempt
 to obtain employment, and partly from necessity for re-examination.

Report of the Examiner of Claims-

The services of the within named individual cannot be verified from the records of this Office, but the Superintendent of Jail states in his letter of the 26th July/67 N^o 91 that they are borne out by jail records. The applicant will therefore be eligible to a gratuity of Rs 35 under the old rule, should Government be pleased to accept the explanation given by the Superintendent of Jail in his letter of the 26 July/67 N^o 91 with reference to the Medical Certificate dated 15th February/67 instead of immediately upon the applicant's retirement from service.
