To

The Honble: R. S. Ellis
As Chief Secretary to Government,
Public Department,
Fort Saint George.

Have the honor to Submit

— for the decision of the Government
whether the Postal Department or the Collector of
Salem should dispose of the application
for Pension in the following cases.

in the Revenue Department as Augor Stamp Vendor on a salary of Rs 25 under the Collector of Salem and entered on his new appointment on the 7th August 1864, but it appears that only a few months afterwards a modification took place in the Revenue Department under which a fixed salary was discontinued to Stamp Vendors and a commission allowed in its stead.

3. The Collector of Salem in a letter No 10. of the 29th May 1866, forwarded a petition to his address from N. Davanayagum Pillay soliciting Pension for his services in the Postal Department, as under some further change in the Revenue Department the commission had also been disallowed to Stamp

Stamp Vendors.

4 On referring the case to the Director General of the Post Office of India, he has replied that he is of opinion that as N. Davanayagum Pillay resigned his Post in the Post Office Department and last served in the Revenue Department in which he received a fixed pay on entering it was not for the Postal Department but for the Collector to dispose of N. Davanayagum Pillay's application for Pension, but the Collector thinks otherwise and has requested that the case may be submitted for the orders of Government.

I have the honor to be

Your most obedt Servt.
