Sir,

In retransmitting the register
of application for pension on behalf of
Kuppu Row returned with your com-
munication of the 17th Ultimo, I
have the honor to furnish the information
called for.

No. 3. 2.

It does not appear from
the records of this Office that Kuppu
Row has had any leave at all during
the whole period of his service.

* Herewith
returned as
requested.

3. Kuppur Row having been removed from Office owing to old age and infirmity, there was no necessity to place him under Medical treatment for a time.

4. The fact that the man had served for 40 years or upwards and retired at the age of 60 years is proof that he did not break down through any fault or excess of his own.

5. The applicants' services from 18th June 1825 to 30th April 1829 and from 1st May 1833 to 30th April 1834 are proved from the records of this Office.

6. Kuppur Row was not degraded on the 1st December 1830 but his salary was reduced from 10½ to 9½ Rs.

9
on the general revision of salaries which took place in that year.

7. Kuppur Row having been found unequal to the duties of his post from old age and bodily infirmity was removed from office and directed to appear before the Medical Officer at Vellore in view to a Medical Certificate being furnished to him, but Kuppur Row did not it appears attend before the Doctor for 4 months afterwards.

8. Kuppur Row's age given in the Register of Application for pension has been calculated up to the date of his retirement from the service, Vizt., 28th February 1865.

9. I am not sure that I quite understand the nature of the information

service the Government are unable to grant him half pension as recommended by the Collector, but are pleased to grant to Kuppa Rao a pension of Rspees 6-4-0 per mensem equal to one third of his average salary during the last 3 years of his service, under Section 6 of the Revised Rules.

3. This pension will be payable with arrears from the 1st March 1865, at the Collector's Treasury North Arcot.

4. The Government observe that Mr. Robinson failed to submit, as required in the Circular Order of the Board of Revenue dated 16th December 1862 No. 8206, a medical certificate of the applicant's incapacity for further service, before the applicant ceased to be employed.

5. The submission of the Register

Register of application has been also delayed. These irregularities to which the Collector's attention will be called, and which have in a great measure been caused by his office, would under a strict interpretation of the instructions of the Government of India have vitiated the applicant's claim to pension.
