Report of the Examiner of Claims

The services of the within named individuals cannot be verified from the records of this Office, but the collector states at foot of the Register of application that they are proved from the records of his Office. They are therefore eligible to the gratuity set opposite to their respective names in Column 13.

Individuals N^o 7 and 14 are eligible to the gratuity set opposite to their respective names for their actual services of years 23-5-26 and 20-9-10 respectively and not for years 23-6-26 and 22-1-10 as shown in the Register of application as in these latter periods are included in the time during which they were without employ by suspension, and reduction of Establishment.

The cause of delay in the submission of application, is explained by the collector in his letter of the 25th February 1867 N^o 482 herewith accompanying
