Yadast from Syed Mohadu
allam, pensioned Suderaman,
of Tirunelveli now residing
at Tiruchinopoly.

As I am about to
proceed to Mecca in January
next, & intend residing perma-
nently at Medina which is
within 12 days journey from
Mecca, I request that you
will be pleased to recommend
my pension, viz Rs 100 -
being given to me at Jedda
from 1st January 1868.

I would expect their
 apparently knowing - system of the
 per far beyond the limits of the
 President there to know persons -
 & deliver in any way captured those
 whom the British had post; and not to send
 of its way based a full pensioner
 we say in California -

To strong as a paper
 I think I can
 suggest

The Pensioner referred
 to in the previous communication
 may exercise his discretion
 in residing permanently
 in Arabia

+ I say on a side - it
 is not a matter wholly at
 my disposal. I would not go
 at Jeddah the power of
 punishing the culprit
 rests with the subject.
 If it is thought proper to
 the Vice Consul at Jeddah
 could furnish the necessary
 but I think it better not
 to encourage a settlement
 of the Mohammedan pensioners
 at Jeddah -

The Government see no objection
 to the Pensioner referred to in this
 foregoing correspondence residing
 permanently in Arabia, but
 as was observed in similar
 case in March last, there are
 no means at the disposal of the
 Government of Bombay which
 can be made available for
 the payment of pensions at any
 other place than Aden, distant
 some nine hundred miles from
 Jeddah. *W.H.*

2. If, however, the Pensioner can
 arrange to appoint an agent
 at Aden to draw his pension,
 and to appear periodically
 before the Political Agent at
 that settlement, the Gov^t of
 Bombay will be requested to

to issue the necessary in-
structions in the matter.
