MADRAS RECORD OFFICE.

Government of Madras.

Pension DEPARTMENT.

G.O. No. 26	~~Press~~ Mis.
Dated 17 / 1	1867

Not to be folded or roughly handled

H. Verdarchary transmitted an
application for pension through
the office of the Inspector General
of Police on the 15th of July.
On the same day the application
was forwarded by M^r. Robinson
to the Secretary to Government
Pension Department. It was
received in the office of the
Deputy Auditor and Accountant
General on the 18th of July.
From the 18th of July to the 12

of September it seems to have
lain in the office of the Accountant
General. on the 12th of September
the application was forwarded,
from the Accountant General's
Office to Govt. and on the 5th of
October an order was passed
granting the Memorialist a
pension of Rs. 12 an. The
amount of Pension being
calculated in conformity
with the terms of an order of the
Government of India dated

34
July 21st and received by the
Accountant General probably
at some date in August at
any rate before the 31st of Aug.
when the order was published
here.

The question at issue is whether
the Pension of the Memorialist
ought to be calculated in
conformity with the old rules or
with the new rules. I think
equitable the Pension ought to
be calculated according to the
old rules. The application was
made on 12th Sept. 1881. His service was only
a gratuity - his service not completing 20 years.

received in the accountant general's
office 3 days before the new rules
were adopted at Calcutta and 41
days before they were published
at Madras. Probably 31 days before
they were received at Madras. If
the Accountant General and the
Government had decided promptly
on the Memorialist's case his pension
would have been fixed before the
new rules were known here. I do
not impute to the Accountant General
or the Govt. any unreasonable delay.
There is probably such an accumulation
of business in the office that the
question could not easily have been
disposed of sooner, but the Petitioner
ought not I think to suffer by the fact
that there is an accumulation of business
in the office.

To William Robinson Esquire
Inspector General of Police

General of Police
Respected Sir Madras.

1 With reference to order
of Government dated 5th October
1866 at 323 Pension Department,
I with due respect beg to submit
this my humble appeal.

2 I have served 20 years
in a grade eligible for Pension
under the old rules.

3. My application for Pension
dated 15th July 1866 was submitted
for Order 19-5-... under the old
rules to have effect from 1st July
1866 calculating the average salary
of 5 years inclusive of salary on
leave without pay up to 30th June
1866 but to my greatest misfortune
Order 18-12-... only was sanctioned,
making the order of Government of
India

India N 1476-21st July 1866 recently
published very long after in
Gazette 31st August 1866, as Appli-
-cable to my case. thereby causing
me to suffer a loss of 9 Annas.
in monthly pension or Rs 6-12-0.
Annually.

4 May it please Your
honour to submit my claim
with your kind support for the
favourable re-consideration of
Government.

TO

The Chief Secretary to Government

SIR,

I have the honor with reference to
son of the ~~to~~ Accountant General to forward the
accompanying papers, and to state that the
Varadachari's claim appears to me to be untenable.
This case ^{had} to be referred to the Controller of Military
Accounts and it was disposed of before its turn as stated
in my letter to the Assistant Inspector General of
Police. Previous ^{however} to this being done the proceedings of
the Government of India of 21 July 1866 were re-
ceived and I do not think I had any option but to
apply the same to his case.
