THE CHIEF SECRETARY TO GOVERNMENT,
 Civil Pension Department.

Order of Government.

From

R. S. ELIAS Esq. &c.

Acting Chief Secretary to the Government of Madras.

To

THE SECRETARY TO THE GOVERNMENT

Sir,

I am directed by the Right Honourable the Governor to forward the following case before His Excellency the Governor for consideration, and, if necessary, for transmission to the Secretary to Government.

2. Kunga Panikar, late Collector in the Havildar, after having served 27 years in grades qualifying for pension, on the 1st April 1867, was appointed to the post of Assistant Collector.

3. No application for pension on the behalf of the Collector applied for the grant of a pension to the Collector of Malabar, forwarding at the same time a declaration of the applicant's fitness for further service.

4. The Governor in Council is aware that according to the general principles laid down in the Financial Department, 11, dated 14th August 1846, pensions are to be granted to applicants from the Public Service, and, secondly, been sanctioned in this Government in the Financial Department, December 1861, No. 14319, no weight can be attached to the applicant's, two years after his resignation, until the first objection, I am to remark that the failure to submit an application was due to a misapprehension on the part of the applicant with regard to the second. It is observed that in the Financial Department, 24th September 1862, pension is to be thrown out of employment in consequence of abolition of the position of Medical Officer, and that although retrospectively the Governor General in Council has issued a letter of the 26th May 1867, No. 1157, providing that specially any case involving more than usual delay.

5. Under these circumstances, I am to request that you should be directed to grant a pension of Rs. 7 per Mensem equal to one-third of his average salary, under the old rules.

6. With regard to the date from which pension is to be paid, it is stated that, under the circumstances of this case, the pension should commence not earlier than the 1st April 1867.

3 B
FINANCIAL DEPARTMENT.

No. 303.

FROM

R. S. ELLIS, Esq., C. B.,

Acting Chief Secretary to the Government of Fort Saint George,

TO

THE SECRETARY TO THE GOVERNMENT OF INDIA,

FINANCIAL DEPARTMENT.

SIR,

I am directed by the Right Honorable the Governor in Council to request that you will lay the following case before His Excellency the Governor General in Council for favorable consideration, and, if necessary, for transmission to the Secretary of State for India.

2. Kunga Panikar, late Goomastah in the Revenue Settlement Department, Malabar District, after having served 27 years in grades qualifying for pension, was thrown out of employment in consequence of the abolition of his office, on the 1st August 1861.

3. No application for pension on his behalf was submitted until the 6th October 1866, when the Collector applied for the grant of a pension to the applicant on the ground of old age and abolition of office, forwarding at the same time a Medical Certificate, dated 26th May 1866, declaring the applicant unfit for further service.

4. The Governor in Council is aware that according to a strict interpretation of the rules the applicant may be considered to have forfeited his claim, firstly, because according to the general principles laid down in the Financial Despatch of the late Honorable Court of Directors, No. 11, dated 14th August 1846, pensions are to be granted on, and not after the retirement of the applicant from the Public Service; and, secondly, because with reference to the instructions communicated to this Government in the Financial Despatch of the Government of India, dated 17th December 1861, No. 14819, no weight can be attached to a Medical Certificate to the effect that the applicant is, five years after his retirement, unfit for further service. But with regard to the first objection, I am to remark that the failure to submit an application on the retirement of the applicant was due to a misapprehension on the part of the Collector, who appears to have thought that the applicant's subsequent service as a Stamp Vendor would count towards pension; and with regard to the second, it is observed that under the rulings of the Government of India, Financial Department, 24th September 1862, persons of not more than 20 years' service, who may be thrown out of employment in consequence of abolition of office, are eligible for pension without the production of Medical Certificate, and that although this indulgence was not to take effect retrospectively, the Governor General in Council has intimated, as stated in Mr. Lushington's letter of the 26th May 1863, No. 2157, Financial Department, that he is prepared to consider specially any case involving more than usual hardship.

5. Under these circumstances, I am to request that a pension of Rupees 7 per mensem equal to one-third of his average salary, may be granted to Kunga Panikar under the old rules.

6. With regard to the date from which payment of this pension is to take effect, I am to state that, under the circumstances of this case, the Governor in Council is of opinion that payment should commence not earlier than the date of application, viz., 6th October 1866.

I have the honor to be,

Sir,

Your most obedient Servant,

FORT SAINT GEORGE,
6th July 1867.

Acting Chief Secretary.

The.

From the Collector of Malabar, to the Examiner of Claims, Madras; dated Calicut, 20th February 1867, No. 507.

I have the honor to re-submit the accompanying applications for pension on behalf of Raman Kandiyl Kunga Panikar, amended as directed in your Official Memorandum, dated 14th December 1866, No. 622. There is apparently some confusion in the 30th April lists as regards the name of this person. In some years his name is entered as Kanishan Kungan, and in some others again as Raman Kandiyl Kungan, while only in a comparatively few years his full name, Raman Kandiyl Kunga Panikar, is given. In the list for 1840, however, his name does not appear at all. But this must have been a mistake; for in all the monthly Pay Abstracts Raman Kandiyl Kunga Panikar himself has signed, and there is no doubt that he was the Salt Goomastah at Tellicherry on the 30th of April of that year.

From the Acting Collector of Malabar, to the Examiner of Claims, Madras; dated Calicut, 16th April 1867, No. 924.

Your Official Memorandum, dated 25th March 1867, Post Audit Department.

Query 14. After the applicant was thrown out of employment in the regular establishment on the 1st August 1861, he was employed as a Stamp Vendor on commission. Hence the delay in the submission of his application for pension.

Query 15. Met by the preceding explanation.

Query 16. In addition to his own pay as first Salt Goomastah at Calicut, namely Rupees 15, the applicant was paid Rupees 6 from the pay of the 2nd Goomastah. This arrangement appears to have been made in order to avoid a reduction in the pay of the applicant who was drawing Rupees 21 per mensem previous to his appointment as Salt Goomastah at Calicut. The additional salary of Rupees 6 that was paid him will only be found in the Pay Abstracts on the record of this office.

Query 17. In the Statement of total period of service applicant is shewn as Mondal Sea Custom Manager. This was a clerical error and has now been corrected.

Query 18. The periods of service on 10 Rupees per mensem, as well as that in the Stamp Department, are now deducted from the total period of service at the foot of the Statement. But I am of opinion that service in the Stamp Department must qualify for pension as applicant was drawing fixed salary. It was only on the 30th November 1861 that the Stamp establishment was abolished, from which date, up to 31st March 1865, he was a mere Vendor remunerated by commission.

STATEMENT of service of Raman Kandiyl Kunga Panikar, late Land Custom Manager Mondal, Zillah Malabar.

Examiner of Claims.

The.

Certified that we have this day examined Raman Kandiyl Kunga Panikar, Goomastah in the Stamp Department, Civil Court, Tellicherry, and find him suffering from general debility. This we believe not to be attributable to any fault (as intemperance) on his own part, but to advancing years and long service. We consider him unfit for further public service.
