Extract from a letter from E. L. DUSHINGTON, Esq., Secretary to the Government of India,
in the Financial Department, to the Chief Secretary to the Government of Bombay,—
(No. 3260, dated Simla, the 30th October 1867).

I am to invite attention to the cases of some persons of unusually short service, who have been admitted to gratuities. It is presumed that, in these cases, the gratuities have been granted in consequence of the men having been discharged on reduction of Establishment, and not on account of certified unfitness for further service. It is requested that, in future statements, the grants of gratuity on account of duly certified physical unfitness for further service, may be distinguished from those on account of reduction of Establishment.

ORDERED that a copy of the above be furnished to the other local Governments for guidance in preparing the Quarterly Statements of pensions and gratuities.

(True Extract.)

Asstt. Secy. to the Govt. of India.
