PROCEEDINGS OF THE BOARD OF REVENUE, dated 18th March 1867.

Read the following letter from T. A. N. CHASE, Esq., Acting Collector of Kurnool, to the Secretary to the Board of Revenue, dated on Circuit at Yeldurty, 6th March 1867, No. 38 :—

1. I have the honour to bring to your notice the hardship under which the officials suffer when they fall sick with fever, in consequence of the very strict way in which the Accountant General abides by the Uncovenanted Leave Rules.

2. In support of this, I forward copies of the leave returns, and some extracts of the Result statements.

3. There is hardly an official in the district who has escaped the effects of the epidemic fever, and has in consequence to be absent from the office for a few days. These have been considered as absent on sick leave, the absentees' salary halved, and they have been precluded from taking privilege leave till after the expiry of eleven months from the date of return to office.

4. This has also put me to great inconvenience in the case of the third English Clerk, Mungamur Narasimha Row. He was sick in October* and November and had to keep away from office. After his return, he took privilege leave with the intention of retiring on his pension at the expiration of it. The Accountant General has disallowed this, and ordered him to refund the pay of the two months' privilege leave, to which he was not entitled, because of his previous sick absence from office. The consequence is, M. Narasimha Row loses two months of his service, which he has now to work out in order to bring it up to twenty-five years, and I am unable at once to put a younger and better man in his place.

5. The next case I bring to your notice is that of Mr. Hurley, the Head Compositor in the Press office. He obtained privilege leave of absence and went to Madras. On his return, the Accountant General disallowed his pay because of his absence on sick leave in the month of August 1866. His absence then was not occasioned by the Kurnool fever.

6. The fever is epidemic, and still continues not only in the town of Kurnool, but throughout the district. Its effects are most distressing, and quite disables the sufferer from working. His attendance at office becomes useless. He is obliged to obtain medicine and to be nursed generally at his own expense ; and as he recovers, he has to supply himself with the most nourishing food, only obtainable at a large cost. His expenses are increased, but being obliged to take sick leave, his salary is decreased by one-half. On recovery, instead of coming to office, he seeks a little relaxation and change of air, and applies for privilege leave ; during which the Accountant General stops all his pay, because of his previous absence on sick leave from office.

7. I would suggest, as a special case, that short absence from office of all those who have suffered from fever, which has taken place during the last five months, be considered as no leave at all ; that such absence shall not affect the absentee's salary, or interfere in any way with his privilege leave, except in cases when the leave has exceeded one month, and the absentee has left the district.

Most Honored Sir,

1 With due respects and humble submission I most respectfully beg to state that objections having been raised by the Examiner of Claims to include my service in the Guntoor District for granting pension to me as requested, I beg to lay the following for your favorable consideration and orders.

2 On the 7th January 1847, I have been appointed by Mr Goldingham the ther Collector of Guntoor District as an English writer on a salary of Rs 47-8 per mensem as per enclosure noted in the margin A when the Vasereddy Estate had been attached & placed under the management

as

ed place of payment.

management of Government since that period upto April 1846 I drew my pay from the funds of the Estates & served in the Government Office –

3 On the 1st May 1846 all the Zamindary Estates in that District having been sold by public auction and the sunnuds thereof in possession of the Zamindars having been taken & sent to the Board of Revenue, no accounts have been kept under the name of Estate, and the salaries of the officials then serving in the Estate Department have been paid by Government – I have thus served as a writer in the Department upto 24th May 1847 –

4 On the 25th May 1847 I have been appointed to the post of Assistant Javabnevis on a salary of 21 Rupees per mensem

---

7

mensem on permanent Establishment by Mr Stokes the late Collector of that District as per enclosure, in which I served for a period of about 11 months viz. upto 2d April 1848 when I joined the Karnool District as per enclosure noted in the margin –

F

C

5 I believe that no names of servants have been inserted in the Detailed Lists then submitted to the Civil Auditor after the close of each year as the monthly Pay Abstracts contain the same, a reference to the monthly Government Pay abstracts submitted from May 1846 to April 1848 will clearly shew the required particulars –

6 I now beg to shew the following reasons as to the admissibility of my services

ed place of payment,

service in the Vafsereddy Estate towards calculating pension

1st It is not temporary situation

2d Many of the officials in the 7 Mysore Territory have drawn pension during the period they were under Government Management under the orders of Bengal Government on the subject

3d Many of the Officials who served in the Estates of Guntoor District were entitled to Pension. As an instance of the same the person noted in the margin× is now drawing a pension in this Treasury & many Tahsildars such as Ramadugu Vencatappiah & others are drawing pension. The Collector of Kristna District in sending the service List of Noongunoo Chenchoramiah Gaurooo with

×Dontaraze Bootchia

with his letter of 1861 included the period he served as Amin under Chilkaloorpaud and other Estates.

Under the foregoing circumstances & from long ~~[illegible]~~ experience your honor has had with that District, your honor may consider that there exists a practice of permitting that the Estate service is to be entitled to Pension.

Under the above circumstances I most respectfully & humbly beg that you will be pleased to recommend that my service in the Estate Department should be taken to account in calculating pension & that I may be entitled to a half Pension.

I remain,

26th June 1867

EXAMINER OF CLAIMS
1867
JY 1
MADRAS

From,

J. A. N. Chase Esqr.
Collector of
Kurnool.

To,

The Examiner of Claims
Fort St. George.

Sir,

With reference to your communication P. Pension Department, dated 7th Instant, I have the honor to inform you, Mungamoor Narasimha Row was not degraded in 1848, as supposed, but resigned his employment in the late Guntur District, for one in Kurnool, vide original Takeed, enclosed dated 25th April 1848.

Query 1st. 2. The Collector of the Kistna District has been requested to furnish information, his reply will be communicated as soon as received.

3 (b) The applicant appears, to have been employed, between the 7th January 1842 and 30th April 1846, in the Zemindaree Estates, then under Government management, which service has been pronounced eligible towards pension, vide para 226, section 20, page 75 of the Uncovenanted servants' Vade Mecum, I therefore presume the above is the cause, why M. Narasimha Row's name does not appear in the annual lists of fixed establishments, for those years; from 1st May 1846 to 2d April 1848, he was employed on the Fixed Establishment.

4 With regard to Mr. Narasimha Row's service in this District as Gumasta in the Sheristadar's Office, from 3d April 1848, to 20th March 1849, I have to state, that M. Narasimha

Row

27

Row succeeded Sreepaty Row, on the 3rd April 1848, which is proved by the Mahratta Basaword, or Pay abstract, for that month, as well as the order or Takeed No. 619 issued to the Treasury Department by Mr. H. D. Phillipps then Commissioner of Kurnool, but by an oversight the name of the last incumbent (Sreepaty Row) was entered in the detailed list sent up in that month in 1848, on a reference to the detailed list sent in 1849 it will be seen that M. Narasimha Row is treated as an old servant, inasmuch, as only the item regarding his promotion is alluded to; had he not been appointed previous to 1st May 1848, the broken period of his service in that Official year would have been noted. He resigned

his

his appointment in the Kistna District to take up this one.

Query 15 5 The original orders, 2 in number, of appointments, issued to Mr. Narasimha Row, by his several employers, are herewith forwarded, with a request that they be returned.

Query 16 6 As the Leave statement does not admit of the infor=mation called for, being inserted therein, I beg to state, that, the 2 first items of leave are reported to have been on full stoppage, and the next 2 on half stoppage; with regard to the 5th item no defi=nite information can be given as the affair is still pending, this is one of the cases alluded to in my letter No. 38 dated 6th March last to the Board, and referred to you by them in their Proceedings No. 1665

× No. 1665 dated 18th Idem. At all events if Mr. Narasimha Row's leave during that period (Previlege) is forfeited by his absence, for a few days now and then on account of sick=ness, I presume there will be no difficulty in allowing that period of leave to be converted into sick leave (he wa really sick) in which case, he will be considered on half pay only, but there is no reas why he should forfeit his benefit to Previlege leave, a stated in my letter to the Board.

Query 17 7 The necessary correction have been made, and my initials attached thereto.

Query 18 8 Mr. Narasimha Row wa not confirmed in his appoint=ment, by an oversight, when the 3rd English Clerk, who wa acting

acting as Head Accountant, was confirmed viz 10th January 1866, but as he has acted in the place on full pay, the whole period, up to the day of his retirement, I presume there will be no objection to his service, during that period, being taken as pension service, as, had he been confirmed it would have been with retrospective effect. Should there be any doubt with regard to the latter portion of M. Narasimha Row's service, I request that I may be informed of it so that I may refer the matter to Government.

I have the honor to be,
Sir,
Your most obedient servant,
J. C
Collector.

PROCEEDINGS of the MADRAS GOVERNMENT.

Read the following ~~letter~~ Papers.

From the Collector of Kurnool (Here enter 13th May 1867 No. 31.)

Report of the Examiner of Claims (— 29th November 1867 No. 275.)

A The Certy does not state that the man has ever been under medical treatment of Dr. the Zillah Surgeon. Is it supposed the Surgeon as the officer under whom he is employed

Order thereon 17th December 1867 No. 341.

From the above report it appears that the service computable for pension of Runga-miur Narasimharow late 3d English clerk on the Establishment of the Collector of Kurnool amounts to 25 years 2 months and 13 days.

2. The applicant is therefore under clause III of Section 6 of the Revised Pension Rules entitled to a pension of Rs. 26-4- twenty six and Annas four per mensem, equal to a moiety of his average salary during the

last

Do not the rules require a countersignature to the medical Certe of the Zillah Doctor? — Has the applicant for pension, been under treatment or not? If not, how can Dr. McCarthy declare that a man is defective in vision & in memory on both of which points it is easy for a malingerer to make false assertions? — I would send back the Certe for ⊕

last five years of his service.

3. It appears however that in 1863 the applicant was for an act of insuberdination to the Deputy Collector suspended for a month, and was reduced from a post in which his salary was Rupees 70 to one in which he drew only Rupees 45-,,-. The effect of this having been to reduce the pension to which he would otherwise have been entitled from Rupees 35 to Rs. 26-4-, The Government consider that no further notice of the offence is called for, although the full pension is, as a rule, granted only for approved service.

4. A monthly pension of Rupees (26-4-0) twenty six and Annas four will therefore be paid to Mungamur Narasimharow from the Kurnool Huzur Treasury with effect from the 1st May 1867.
