Inability from age

The Jailor has certified that the character & conduct of the applicant was good and satisfactory. He was known to the Jailor for upwards of four years.

The services of this person can be verified from the public records only so far as they are detailed in this list but he asserts that he has been continuously employed in Chittoor and Vellore jails for upwards of 26 years, or from 1841 to the present date and this appears to be a fact known to many persons. An old warder and a Police Constable in their deposition given before Vellore Jailor as confirm the correctness of the person's assertion.
