From,

Acting Collector Kistna District

To,
The Examiner of Claims
in the Accountant General's Office
Fort Saint George.

Sir,

* herewith returned. — With reference to your Memo*: of the 9th Ultimo, I have the honor to submit the following explanation on Nos. 1. 2. 9. 11. 14. 15. 16 and 17, regarding the case of certain Peons recommended for compassionate allowance.

Nos. 1. 2. and 9. — From the accompanying Copy of Mr. Thornhill's report to the Board of Revenue, under date the 26th September 1864, it appears clear that the services of the 4 Peons, recommended for compassionate allowance, were verified by the Huzur Records. As all the detailed accounts were lost during the late Cyclone, I cannot now give any particulars showing the dates of their appointments, and the amount of their pay.

No. 11. — It is true that there are no breaks in the services of these Peons; but in the absence of the detailed accounts, I cannot substantiate that point fully.

the

Separate Register of applications for each of the 4 individuals, is forwarded herewith, in printed forms; but the detailed information necessary to fill up the several headings, is not forthcoming, owing to the destruction of Records. No. 14.

The dates of the orders of Government, sanctioning the grant of gratuities to the said Peons, are 18th April 1863, No. 107, and 18th May, 1863, No. 140. No. 15.

These peons were not reemployed, since they were thrown out of employment, by the reduction of Establishments. No. 16.

The cause of delay was, owing to the applications having been forwarded in the first instance, to the Board of Revenue, who passed no final orders on the subject. No. 17

Sir,

With reference to the Proceedings of Government dated 17th February last No. 284, I have the honor to submit herewith a list of 7 of the Huzur peons discharged on the introduction of the new Police, for the grant of compassionate allowance.

From the list in question, the Board will observe that in the case of 3[*] peons, their services are a little below 30 years as verified by the Records. In the case of the Peon, No. 4, his service is 1 year and odd less. They, however, state that they did serve for much more than 30 years as entered in column 3 of the accompanying list; and I think their statements may be true, as some of the Huzur and Taluk Pay abstracts of very old date contain no names, but the number of Peons and the total amount of pay at so much each per month. I have therefore to request that the

the Board will be pleased to include these old and faithful servants in their list of Peons to be recommended for compassionate allowance. A further list will be submitted as soon as the services have been verified, but as above shown it is very difficult to arrive at a correct estimate of the length of Peons services.

The service of these individuals as verified from the Huzur Records appears to be somewhat less than 30 years, however as reported in my letter No 209 to the Board dated 26th September 1864, the names of the Peons not having been entered in detail in the lists of former years but only the number of Peons in the abstract, their services cannot be individually ascertained and verified. therefore the figures denoting their service as entered in Col. 3 may be considered reliable. I therefore beg to recommend that a compassionate allowance of Rs 2-8-,, per mensem in the case of each of these individuals may be sanctioned retrospectively from the 15th December 1862 on which date they were thrown out of employ on the organization of the new constabulary.
