PROCEEDINGS OF THE BOARD OF REVENUE, dated 21st November 1865.

Read the following letter from G. THORNHILL, Esq., Acting Collector of Ganjam, to R. A. DALYELL, Esq., Acting Secretary to the Board of Revenue, dated Chetterpore, 16th October 1865, No. 2,138:—

1. I venture to submit, for the consideration of the Board, the accompanying Petition and enclosures from Patri Sashagiri Row, late Manager of the Purlah Kimedy Zemindary, and to solicit the Board's favorable consideration of the following facts.

Estate Court of wards
1

2. Sashagiri Row was Manager of the Purlah Kimedy estate in 1862, when the amalgamation of the Taluks in Ganjam and consequent reduction of establishments took place.

3. Mr. Forbes in his letter, dated 1st March 1862, No. 36, to the Court of Wards,* with a view to providing for other servants, whom he considered more deserving, recommended to the Court of Wards, that Sashagiri Row should be removed.

* Proceedings of the Court of Wards, No. 1,862, dated 20th March 1862.

4. With his letter, No. 258, dated 10th October 1862,† Mr. Forbes submitted a Register of application for pension of Rupees 53-12-8, or one-third of his salary, to be charged against the funds of the Purlah Kimedy estate.

† Proceedings of the Court of Wards, No. 7,146, dated 29th October 1862.

5. The Court of Wards declined to sanction the payment of pension from the estate, on the grounds that the Manager had been removed for laziness, apathy and neglect; that he was not declared to be physically unfit; and that of his total service of twenty-nine years, only four years and nine months had been spent in the service of the Kimedy estate.

Proceedings of the Court of Wards, dated 29th October 1862, No. 7,146.

6. After the Court's Proceedings, it is with some diffidence that I ask the Board of Revenue to consider the Petitioner's claim to a pension from Government. I would, however, respectfully point out, that although Mr. Forbes charges the late Manager with apathy and indifference, it does not at all appear, that he would have considered the latter liable to removal, unless the amalgation of the Taluks had rendered it necessary to dispense with the services of some of the superior Government servants in the District.

7. I do not wish in any way to question the justness of Mr. Forbes's opinion that the Manager had shown apathy and negligence in the discharge of his duties, it would be quite out of my province to do so, even if I had the means of judging, or the desire to express an opinion.

8. I may, however, I trust, without impropriety, be allowed to state that such had not always been his character, as he served under my own immediate orders as Principal Assistant of Ganjam nearly three years, 1857 to 1859: first as Tahsildar of Wadadah, and afterwards as Manager of Purlah Kimedy. In July 1857, the managership of Kimedy became vacant, and the Petitioner was selected by Mr. William Knox, then Acting Agent, as the most deserving Tahsildar in the District for promotion to that post. He continued under my orders until I left the District in 1859, and always bore an excellent character.

9. The appointment of Manager was better paid than any Tahsildarship then, and was looked on as promotion; but it was never considered as barring the claim to Government pension; indeed former Managers, as shown in the margin, have been admitted to Government pensions, counting their services in Kimedy towards them.

G. Vencata.
Rungiah Puntulu.

…uson
Clerk

Collector

10. This is easy to be explained as, prior to the separation of the office of Manager from that of Sub-Magistrate, which took place subsequent to Sashagiri Row's removal, the services of the Manager were divided between Government and the estate, (as he exercised all the functions of Head of Police in addition to his Revenue duties,) although the entire salary was paid from the funds of the estate.

11. I think the Board will agree with me, that the removal of the Petitioner was due to the reduction of the establishments, and not to his own misconduct. I think also it is shown by the subsequent application for pension, that although Mr. Forbes passed severe censure upon the man, he did not contemplate that this censure was to deprive an old servant of all chance of further employment or of pension, and I trust that the Board will, under the circumstances, be pleased to permit me to submit an application for a pension of Rupees 53-12-8 per mensem, being one-third of his average pay for five years before his removal from office, in consideration of his services having been dispensed with on the reduction of the establishments in Ganjam.

12. In conclusion I hope that I may be pardoned for any thing that may appear irregular in the application. I have been induced to make it by the feeling that an old servant of Government, who certainly at one time was not devoid of merit, and against whom no heavier charge than want of energy has been made, has been somewhat hardly dealt with.

ENCLOSURE No. 1.—Petition.

The Board observe that this application for pension should have been made direct to Government. The Collector should adopt this course, and the Board authorize him to state that they see no objection to the applicant's request being complied with.
