THE Under Secretary to Government, Public, &c. Departments is directed to request that Dr. Henry King will favour Govt. with a more full and sufficient statement as to the nature and causes of the incapacity which is stated to unfit Mr. F. S. Fernandez, late Clerk in the office of the Collector of S. Canara.

It appears that Mr. Fernandez age is only 54, and under ordinary circumstances a man would not appear at that period of life to be incapacitated for service as a clerk, by reason of age & especially when it appears that Mr. F. is not suffering from disease. It is also observed that the certificate was granted without Mr. Fernandez having been under treatment or observation.

Sir,

With reference to your Official Memo. No 2. of 8th inst: I have the honor to inform you that I delayed replying to it until Dr Orr C.B. the Deputy Inspr Genl Hospls, should arrive at Mangalore and see Mr S. J. Fernandez, to whose case your Memorandum refers. He has seen him; and I am authorised to state that he fully concurs with me in the opinion conveyed in my certificate dated 3rd July, 1866: viz: that Mr F. is quite worn out, and incapacitated by age for the performance of his duties.

2. I am unable to supply any fuller or more explicit statement as to the nature and cause of the incapacity. The fact is obvious at first sight of Mr Fernandez. I saw no reason to attribute his premature unfitness to his own misconduct or imprudence.

3. With reference to the 3rd para. of your Memo: I have the honor to repeat that prolonged observation was quite unnecessary to justify my certificate: and to add that treatment would be useless.
