Read the following Papers
From the Offg. Collector of Tanjore (Here entered 19th July 1866 No 768)
From the Examiner of Claims (— 10th December 1866 No 602)

Order thereon

The Governor in Council
observes that Pensions or Gratuity
can only be granted under the
following circumstances: first
in case of abolition or reduction
of Establishment; secondly in
the event of the applicant
proving, by production of Medical
Certificate, his incapacity for
further service; thirdly, without
production of Medical Certificate,
after the completion of thirty
years approved service.

Not

2. Not only does the Medical Certificate now produced not prove that the Clerk Sitaraimangam is disqualified for the performance of his duty, but the Medical Officer states that Sitaraimangam has no disease such as to incapacitate him.

3. The Offg. Collector of Tanjore states that he was unwilling to reemploy a public servant who has been ^{found} inefficient in consequence of advanced age, but at the same time remarks in his letter to the Board that Sitaraimangam is ineligible either to Pension or Gratuity "being certified by the Civil Surgeon to have no disease such as to incapacitate him for the performance of his duties as Clerk."
