It appears from the Sub Collector's letter that throughout Streenivasa Iyengar's Servi which is about 22 years he maintained a good character with one exception. In 1854 he was

Suspended for two months for a careless mistake in the discharge of his duties.

Considering Streenivasa Iyengar's long Service I beg to support the Sub Collector's recom=mendation (in whose Dn. the applicant had served) for the favourable consideration of Government and the grant of a pension of Rs 5-4-" per month from the 2nd February 1864.

I certify that a man calling himself Streenevasa Iyengar, Revenue Inspector of Salem District, appears before me today for the first time & applies for a certificate of incapacity for further duty. He says that he has just had twelve months leave for ill health.

Seeing that I have never seen him before & that I have only his own information in support of his appearance, I can say nothing further than that I think him a delicate man whose sight is fast failing, and who will, in all probability, never be fit for active duties.

I do not think is present state the result of vice or imprudence.

The Honorable D Arbuthnott
Collector of Salem

Sir,

I have the honor to acknowledge the receipt of your letter No. 477 dated 21st June 1866 communicating the remarks of the Examiner of claims on the application for a retiring pension made by M Streenia Iyengar late Revenue Inspector of Oossoor Taluk.

2 It appears that Streenivasa Iyengar in February 1864 applied for an extension of the leave which he had received some two months before, requesting at the same time that if his petition was refused he might be permitted to resign and that the application for the grant of a pension for him might be made.

3 The leave was refused and an

Recd 14/9/66.

application for pension was made but Streenivasa Iyengar delayed in producing the necessary Medical Certificate and the reason which he assigned was that he was so ill that he was unable to attend before a proper Medical Officer for examination.

4. Whether this was true or not I have of course no means of judging Streenivasa Iyengar was on leave on account of ill-health in the first instance. and he appears to have resigned on this ground also.

5. Although Streenivasa Iyengar was to blame in not producing a Medical Certificate sooner I think that his long service calls for some indulgence on the part of Government and therefore beg to recommend the reconsideration of his claim

6. The enclosures which accompanied your letter under reply are herewith returned.

Memorandum.

In his letter dated 7th June 1866 No 35 the Collector of Salem submitted to the Accountant General an application for Pension on behalf of Mudambi Strinivassa Iyengar late a Cultivation Inspector Posoor Talug. The application showed Strinivassa to have served 22 years 3 months 1 day in grades qualifying for pension; his average salary being Rs 16-2-3, he was recommended for 1/3rd Pension or Rs 5-4-0. per mensem.

2. The application was returned by the Accountant General who refused to submit it to Govt. as it appeared from the Collector's letter that Strinivassa resigned the service.

The

3. The following explanation was then submitted on behalf of the applicant, with a recommendation from the Collector and Ag. Sub-Collector that the case should be favorably dealt with — 1st That Strinivassa being on leave on account of ill health at the time applied for extension of leave requesting that if additional leave were refused him he might be allowed to resign, and that application for Pension might be made. The Ag. Sub-Collector adds that leave was refused and application for Pension accordingly made, but delayed in consequence of non-production of a Medical Certificate. The reason assigned by Strinivassa for the delay was that he was too ill to present himself for examination before a Medical Officer; whether this is true or not, the Ag. Sub-Collector has no means of judging except that the cause of the Applicants' resignation was no doubt ill health.

4. It would appear therefore that Strinivassa Iyengar is ineligible for Pension 1st because he was not in public service, but had resigned, when he applied for Pension — 2nd Because of the great delay in production of a Medical Certificate.

5. With regard to the first point the *Rule laid down by the late Court of Directors to the effect that "no application for Pension shall be entertained on behalf of an individual after he has quitted the Public Service" is explicit, and would bar the present applicants' claim to Pension.

6. The great delay which elapsed between the resignation of service by the Applicant which occurred in February 1864 and the production of a Medical Certificate which

* See copy of Notification republished in the Fort Saint George Gazette 16th December 1861.

which is dated the 9th June 1865 is explained, as far as may be, by the Ag: Sub Collector; but, cannot I think be considered satisfactory.

It appears however from the Proceedings of the Government of India Financial Department No. 848 dated 21st February 1856 that the grant of a Pension to persons not at the time of application in the employ of Government is under special circumstances, contemplated as allowable; and with regard to the rule that Pensions are to be granted on and not after retirement from service, and that the Medical Certificate of unfitness for further service should be submitted at the time of retirement, it appears from the letter from the Secretary to Govt. of India Financial Deptt. 17th Decr. 1864 No. 14819, to rest with the Local Govt. to recommend a relaxation of the rule in cases in which a Certificate has been produced after the lapse of a reasonable time – it must be remarked however that this exception is still farther limited as being conceded generally, if not only, in cases of servants, discharged in consequence of abolition of office.

Orders are therefore requested as to whether the circumstances are considered such as to render it desirable to treat this as a special case.

F.B.

The man is ~~said~~ reported by the acting Sub Collr to have been absent for a year on acct. of bad health – At the end of that period he ~~[illegible]~~ ~~[illegible]~~ ~~[illegible]~~ asked for a ~~[illegible]~~ ~~[illegible]~~ ~~[illegible]~~ ~~form~~ ~~for~~ of a pension – after a long interval – again – he submits ~~[illegible]~~ in form a Certificate – and on that his attendance [illegible] man under whose certi – Examr. [illegible] says there is a principal reason why he should not be pensioned – but that there are several others – I think the case might be called for – but as the rules limited Hands + advocates to the rules I doubt the [illegible] of Govt. of India approving pension

WD

I submit that adverting to the man's long service and apparently good character and to the undisputed fact that his retirement was caused by ill health the pension may be given.

I concur in the opinion of the Chief Secretary that the pension should be given.

PROCEEDINGS of the MADRAS GOVERNMENT.

Read the following Papers

From the Collector of Salem (Here enter 7th June 1866 No. 35)
Report of the Examiner of Claims (" 13th December 1866 No. 316).

Order thereon 21st February 1867 No. 75.

M. Streenvasa Iyengar late a Cultivation Inspector in the Salem District served 22 years 3 months and a day in grades qualifying for Pension and his average salary for the last 5 years being Rupees 16-2-3, he is under clause II Section 6 of the Revised Rules entitled to a Pension of Rs. 5-4-" per mensem equal to one third of his average salary.

2. The Examiner of Claims returned the original application for Pension on the ground that the applicant had resigned the service:

it

it appears, however, from an explanation submitted by the Ag. Sub Collector, that Strinivasa Iyengar being at the time on leave on accountant of ill health, applied for extension of leave, requesting at the same time, that if leave was not granted, he might be allowed to resign, and application for Pension on his behalf might be made. It is certain that his resignation was caused by ill health. Under these circumstances the Governor in Council is of opinion that the present application cannot be rejected on the ground relied on by the Examiner of Claims viz: that he was not in the public service when he applied for Pension.

3. Adverting to the length of service and good character of the applicant, and to the recommendation of the Collector, and Ag. Sub Collector, the Governor in Council is of opinion that the delay which occurred in submitting a Medical Certificate ought not in the present case to vitiate the claim to Pension.

4. The Governor in Council is therefore pleased to sanction Payment of a pension of Rupees (5-4-") five and Annas four per mensem, to Strinivasa Iyengar, payable with arrears from 2nd February 1864 from the Taluq Treasury at Chingleput.
