Certified that I have examined
Bagwanath Pilla Head Quamastah in
the Cameroe & Custom House, and
find he is laboring under partial
loss of vision (which will increase)
and that moreover his general health
is failing. This I believe not to be
attributable to any fault (as intemperance)
on his own part, but to advancing
years, he being now 60—
I consider him unfit for further
public service
