Endorsement on the Petition, No 96 of 1839, presented by Sanaka Nurainham to the Board of Revenue

1 It appears by the order addressed to the Petitioner that he was dismissed for two reasons: viz, 1stly for detaining a Native Fund Certificate, & 2ndly for correcting an error in the rough Draft of the Cash Report sent to the Accountant General.

2 Respecting the first charge, there is no evidence of his having intentionally detained the Certificate, & with regard to the second charge, all that appears to be proved is that, finding that a mistake had occurred through negligence in forwarding a report of the undischarged Bills, he had corrected the date, which appeared to have been erroneously entered; but there is no reason for supposing that he was actuated by any fraudulent, or unworthy motives in so doing

The

No. 9. 3 The service of the applicant from 1827 to 31st March 1860, corresponds with that entered in the Huzoor Register of Public Servants. There are no other records to prove this.
