My dear Phillips

The reference to the Dy Inspector
General in Huron case is
when the ~~per~~ salary exceeds
50 N.

I think perhaps it would be
better to send Dr. Hauney's
certificate which is most
unsatisfactory, to Mackenzie

My dear Mr. Key well:
Let the matter go to Dr.
Mackenzie, but I think it
something should be said
to show that we (Govt) are
quite aware of the weak-
points on Dr. Mannay's
Certificate is available. Before
out, the Ex Defy Sailer
would have been enough enough
told in harness, had it
not been deemed advisable
to make room for a new man
on a new & higher salary.
In fact, Government are
being daily victimized in
the person & property of
the person of Govt.

31.1.68.

W. Mannay

I do not understand why in this
case, there can be any real hardship
in deciding the Ex Defy Sailer to
appear before the Dy Supt. General Med:
Supt., as a punishment of the Supt. of the Tail
at Salem.

The Ex Dy Sailer may easily proceed
by rail from Salem to Buckinham;
and I think this measure is necessary
before we pay 220 Rs. to a servant of
this class as compensation, because
it is only when the Govt. were pleased
to raise the pay of the Dy Sailer
from 20 to 50 Rs. a month, to make the
Sail Supt. to secure a superior sort
of Dy Sailer, that any thought was
had of getting rid of the then incumbent.
The present applicant for compensation.

This man, at the age of 47 $\frac{3}{4}$ years,
is termed an old man. He is

also said to be "infirm", but he has
not, apparently, been under treatment by
a physician. Ranney, and it seems to me
to be very strange that this old, infirm
man, of only 47 years of age, should have
been doing his work, without let or lag,
till it is necessary to be rid of him
to get in a new man on a higher salary.

I wonder how far he has what the
Dr. says: General has to say about
his age & infirmity, a course which,
so far as I can recollect, is the course
which our present rule lays down
for adoption.

It is too much the fashion to point
off on to the General or the Acting
Lieut, subordinate officers, who are in
the way in consequence of when new
arrangements have to be carried
into effect.

Sir

- I beg to acknowledge the receipt of your Memorandum No 548, dated Feb 9th 25th 1868, & have the honour to inform you, that I remember perfectly well, whilst in Medical Charge of the Central Jail at Salem, the Dy. Jailor, in question, being brought before me for examination.
2. My opinion was that 47 was not his age, & that he was considerably older, & incapacitated for the performance of his duties as Dy. Jailor.
 3. We are aware that Natives in general entertain very misty ideas regarding their own age.
 4. The Supl. of the Jail Capt Gordon also agreed with me.
 5. The reason the Certificate was forwarded in its present state, was owing to my feeling so very ill at the time, I signed it, that I omitted

I would propose to leave the matter
till our own Council. According to the
Hearings, our account of the origin of the
document is Antislavery, it is clear that the way
himself is at the time he found it & that
among other causes perhaps, there was
an impartial comparison. Of the Antislavery
sentiment with any thing? What is the
reason all, if he is not? What fault has
the paper been? to find with the main
work? nothing of this appears. It is in
fact, very
much at
the end
of the
document.
