*Proceedings of the Madras Government, Financial Department,
11th May 1864.*

No. 23. Read the following letter from Lieutenant Colonel J. CARPENDALE, R. E., Mint Master; to the Chief Secretary to Government, Fort Saint George, dated Mint, 4th May 1864, No. 9.

I have the honor to bring to the notice of Government that the Bullock-drivers on the Mint establishment complain that their pay, Rupees 5-4-0 a month, is too little. This rate was fixed more than 20 years ago, and I certainly think it is not sufficient. The lowest rate of pay for common coolies in the Mint on the Contingent list is Rupees six, and I request permission to strike the Bullock-drivers off the Establishment list at their own desire in order to my giving them six Rupees a month in future on the Contingent list, which would appear preferable to asking the sanction of the Government of India to a revised Establishment scale for so trifling an increase.

No. 24. ORDER THEREON, 11th May 1864, No. 257.

The Governor in Council approves of the proposed arrangement for giving the Bullock-drivers in the Mint pay at the rate of six Rupees a month in future on the Contingent list,

*Proceedings of the Madras Government, Financial Department,
22nd May 1865.*

No. 51. Read the following letter from R. H. HOLLINGBERY, Esq., Assistant Secretary to the Government of India, to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, Fort Saint George; dated Simla, 6th May 1865, No. 105.

In reply to your letter, No. 178, dated 4th April 1865, I am directed to state that the Governor General in Council is pleased to sanction the increase of pay, from Rupees 5-4-0 to Rupees 6 monthly, proposed for the Bullock-drivers on the fixed establishment of the Madras Mint, amounting to Rupees 7-8-0 per mensem.

2. I am at the same time to suggest that, with the permission of His Excellency the Governor in Council, immediate measures may be adopted for providing a Coal shed for the Mint, if the outlay be such that the interest on it and the average annual expense for repairs, &c., would be much less than the pay of the Bullock-drivers, and the wear and tear and keep of the bullocks that could be dispensed with, by the provision of the coal shed.

Ordered that copy of paragraph 1 of the foregoing letter be sent to the Deputy Auditor and Accountant General, Madras, for the issue of the requisite instructions.

No. 52. ORDER THEREON, 22nd May 1865, No. 255.

Communicated to the Mint Master, with reference to his letter dated 30th March last, No. 387. If necessary, he will place himself in communication with the Public Works Department, regarding a Coal shed for the Mint.

Sir,

As directed in Order in the
Financial Department No 531 of
the 4th ultimo, I have the honor to
submit printed applications for gratuities
to four bullock drivers dispensed with from
31st December 1867 on account of reduction
of Establishment. Also an application for
Pension to G. Annamalai Chetty
Bullock Superintendent, whose services
are no longer required in that capacity, and
who the Government desire should not be
retained unless he can be provided with
some other situation immediately. I
regret there is no vacancy at present or I
would be glad to retain him, and he would
be quite willing to remain as a Coricopoly
on 12 or 14 Rs a Month, which I submit
would be preferable to pensioning him
permanently on Rs 6-10-8 a Month,
and therefore in forwarding an application
