In consideration of the salary of the Office having been lately raised to a footing more commensurate with its importance, perhaps, Government may be inclined to waive the objection that he has served less than 5 years on the lately increased salary of his Office, which, nevertheless, he held for more than five years.

From the Collector of Tinnevely (Here entered 8th January 1866 N^o 26)
Report of the Examiner of Claims (— 15th April 1868 N^o 372)

Order thereon 5th May 1868 N^o 130.

The applicant has been
in all nearly 35 1/2 years in the
Government service. He was
Sheristadar of Tinnevely, and
was relieved at the end of 1865
to be pensioned for good service.
It appeared that he had not
30 years of service which could
count for pension, and in Febru-
ary—April 1867 he accordingly
served an additional period to
make up his full time.

Why there should have been a year's delay in submitting the case after this second service does not appear. No explanation whatever is offered, although all the enquiries as to previous service were completed, and it remained only to report the applicant eligible.

2. The Government are now pleased to grant Nana Rao a pension of Rupees (106-8-0) one hundred and six and Annas eight being one half his average salary for the last 5 years of his service with effect from the 10th April 1867. The Rules preclude the grant of the larger amount of pension asked by the collector.
