C.R. 1867

This is to certify, that Pullipole Branning, late Captain in the
Revenue Settlement Office, has been examined by me, and I am of
opinion that on account of Old Age and imperfection of Vision, he is
unfit for the due performance of any further duty, in his Department. He has
not been under Medical treatment, for. I consider treatment would be of
little service to him.

Is contracted on general Service not the result of his own infirmities.

certain revisions in the Establishment. On the

Rs to 20 Rs as the field work on which he was
employed, as Head Classifier had been
completed, and not on account of any fault
on his part. -

by the Sub Collector of the Godavari District
that there is nothing on record to show whether
applicant's service as Zafte Amin from 8th
May 1844 to 27th October 1845 was of a permanent
or temporary nature, neither does it appear
why his name and the appointment of Zafte
Amin has been omitted to be shown in the
returns for 1843/44 & 45. - There is nothing
on record either to show whether the appoint-
ment of Zafte Amin has been shown in
the Koyzabitah of the Nazur & Taluk
Establishment sanctioned by Government.

No. 16. In the papers received from the Godavari
District it is stated that the cause of
applicant's name not being shown in the

Sir
I have the honor to acknowledge the receipt of your letter of the 1st instant requesting for information why Battiprola Brammanna was retained in the service of Government from 1st February to 30th June 1867, when he is stated on medical certificate to have been unfit for the due performance of any further duty.

2. The medical certificate states "any further duty in his dept^h" which it was represented required physical exertion and ability to stand exposure, not needed in the case of a clerk in employment of a sedentary nature. The certificate was not considered a final certificate of his unfitness for any further duty, but merely for the laborious & heavy duties which the post he then occupied entailed; - Nor to bar him from employment of a sedentary nature had he been able to obtain such employment. He was therefore kept on to see if other employment could be obtained for him, but in this he failed. It is my opinion that Battiprola Brammanna would not have obtained a certificate of unfitness for any further service whatever.
