This is to certify, that Dharmalingam
Modelliar Clerk, on Establishment of Collector of
Bellary is worn out by Rheumatism, and Sunbays,
also impaired memory. He has been under treat-

benefitted from it. I have no reason to believe
his ailment due to irregular or intemperate habits.
I am of opinion that he is unfit for any fur-
ther service.

Replies to the objections in Memorandum, dated 13 March 1868, from the Examiner of claims

23 On the representation of the applicant to the collector that he wished to be removed to the Engineer's Department to take up an appointment there, the collector gave him permission to do so on the 26th November 1846.

Translation of the collector's Order, No 335, dated 26 November 1846 is herewith sent. The applicant states that he was without employ from 1st October to 6 November 1849, in consequence of his having resigned his post in the Civil Engineer's Office.

24 The applicant was not without employ in the collector's Office on the 26th November 1846 when he was permitted to join the Civil Engineer's Office. Vide Translation of the order alluded to in the above. No insertion is therefore made in item, No 8, of the Register.

25 The applicant's moiety pay for June and July 1867 was drawn in the Huzar Supplemental Bill, dated 16th September 1867 and paid to the Substitutes.

Reunion Sept^c 379 - 1868.

It is proposed to bring on the State pension list - a surmising and hoarsely whose age is 51 and whose service is only $16\frac{3}{4}$ years.

Jamison Surpin, Mr Stevens, who says that he has had A. D. Woodell "under treatment" for a short time and is not likely to be "benefitted from it" (see memo). -

He adds that applicant is "worn out" by rheumatism and lumbago, also "impaired memory". -

Mr Stevens has no reason to believe that the applicant's "ailment" is "due to irregular or intemperate habits" but which "ailment" is ascribed to does not appear. -

I submit that good should receive in a matter of this kind a more distinct opinion than that which Mr Stevens - as regards the cause of "ailment" it

is men of regular habits. Though two of the
complaints from the Applicant is said
to be suffering are generally supposed to
be the result of irregular habits - as
to "impaired memory" we ought to know
how the Sanison Surgeon has tested that
claimant. It is easily imagined that a man
deserving of getting his $\frac{1}{3}$ pension
as soon as possible after 15 years service
as also are the other two complaints
on which Mr. Stevens bases his certificate.

I would order him to be reconsidered
and would direct the Applicant
to appear before a committee of
three Medical Officers to be convened
at Bellary. This is not the first
time, you may medical documents
