Sir,

In returning your letter dated the

honor to furnish the information therein
called for.

nos 1 & 2.

2. Veroopatchy Mudliar was original-
ly appointed when 20 years, 10 months and
20 days old, on the 16th September 1843 as
Moochy of this Court on a salary of Rs 7 per
mensem, which post he held up to the April
1849, i.e. for 5 years and 7 months. His next
appointment was that of 5th English Writer
on a salary of Rs 17-8- per mensem from
15th April 1849 to the 28th February 1855, em-
bracing a period of 5 years, 10 months and
14 days. From 1st March 1855 to 9th May 1858,
being a period of 3 years, 2 months and 8 days,
he was employed as 4th English Writer on
a salary of Rs 21. He officiated on full pay
[Rs 24-8-] in the appointment of 3^d English
Writer from 10th May to 2nd January 1859 being
1858

Rev. Mr. D. G. M.

7 months and 25 days. He was confirmed in the same appointment on the 3rd January 1859 and continued to hold it from that date to 12th August 1867, the date of his retirement, i.e. for 8 years - 7 months and 9 days -

3 The services of the applicant from 16th September 1843, the date of his first appointment to 12th August 1867, the date of his retirement, have been verified by the records of the Court.

4 The applicant was never subjected to any degradation whatever by way of dismissal or suspension &c. during the whole period of his service.

5 The printed form of Register which has been used seems on comparison to correspond exactly with the form given at page 632 of the 2^d volume of the Gazette for 1866

6 Applicant's absence on leave for 3 months and 9 days granted at different times was on stoppage of half pay.

7 Applicant is believed, from the testimonials recorded in the Register of Government servants, and from the absence of any remarks against him as far as the records can show, to have borne a good character throughout.

8 Leave to which he was entitled was granted to him for one month in the hope that changes of air and scene might enable

enable his mind to recover its natural tone, and considering the nature of the case and his previous services I trust that the Government will sanction the indulgence granted to him.

9 The age of the applicant as originally given in the Register of application viz 44 years, 10 months and 21 days, having been erroneously calculated up to the date of the Register (16th September 1867) instead of up to the date of his retirement (12th August 1867) has been now altered to 44 years, 9 months and 16 days - therefore the period "1-1-10" entered in item 9 of the first side of the Register, and the similar entry on the 2^d side opposite the head "deduct service not in pension grades" will be found correct, the applicant having been 20 years, 10 months and 20 days old at the time of his first appointment.

I have the honor to be,
Sir,
