Explanation of Column 8 with quotations of orders of reinstatement.

Explanation of any degradation.

The reason of a lapse of 11 days from 18th to 28th May 1865, is because A. Bapaya had to come up from Ganjam to assume charge of his post of Sub Magistrate of Bobbili taluk, the period consequently is not included in his Service List, as no salary was drawn by him for the same.

Remarks by the head of the Office on past character and conduct of the applicant throughout the service.

A. Bapaya having served the greater portion of his period of service in the Ganjam District, any remarks as to his antecedents cannot therefore be expected from me, but the Extract from Mr Carmichael's letter para 4 accompanying shows that Bapaya was reduced from the post he then held to a lower one, owing to an entry of Rs 10 having been discovered in his name in the accounts there along with 5 other like entries. This was more than ten years ago; since then he has been gradually promoted, and for the last five years has held the office of Sub Magistrate. During the 2 years he has served in this District, his conduct has been unexceptionable. His Service List, was obliged to be sent to Ganjam to be verified, hence the delay in its submission.

and that he continued to be so employed for nearly 17 years. The orders of Govt. are distinctly to the effect that while a servant of Govt. transferred to a post under the Court of Wards, may be permitted to count such service for pension. no such claim shall be allowed on the part of a person whose first employment was under the Court of Wards for any period of service directly following such employment.

Hence the applicant can count as service for pension only 13 years, 8 m. 7 d. His conduct is reported good, with the exception of one instance in 1856 when he was reduced from a post on Rs. 30 to Rs. 15, owing to an entry of Rs. 10 having been discovered in his name in the accounts of the Saluz of which he was Sheristadar
