No 976

From Surgeon J. Day
In Charge Office Superintendent General Vaccine
Madras Presidency
To the Secretary Inspector General
Indian Medical Department
Ct of Bengal

Sir, I have the honor to acknowledge receipt of
Docket No 1995 of the 4th instant, and with reference to
the explanation therein called for, beg to state.

2. That the first intimation received in this office
regarding a Gratuity Roll for late Vaccinator ^{on that date} ~~Shoboo~~
Pillay, was on the 9th March. The Roll forwarded ^{on that date} ~~not~~
being in accordance with the regular form, a printed
form was sent to the Garrison Surgeon, who filled up
and resubmitted.

3. On the 29th March, a letter was received from
the Garrison Surgeon, inquiring to know whether the
Vaccinator could be re-instated in the Dept. No
roll was forwarded - a reply was sent that owing
to Mr. Short's absence, no action could be taken in
the matter.

4. On the 15th May the Gratuity Roll was received,
but wanting in so many particulars that it had
to be returned for correction - and was again received
on the 22nd May, in which date it was forwarded
to your office.

5. The Garrison Surgeon of Machinopoly in his letter
No 65 of 19 May, attached to the Gratuity Roll
states that the delay occurred in the Collectors
office.

6. Copies of the Garrison Surgeon's letter, with the
original Petition of the Vaccinator are herewith
forwarded for the information of the Inspector
General, and which I trust will prove satis-
factory, that no delay occurred in this office.

Yours truly

To the Superintendent General Vaccine

The Secretary Inspector General

Sir, With reference to Pockets Nos 2074 and
2207 dated respectively 10th & 22nd June 1868,
I have the honor to report in reply thereto, that
on the dismissal of some of the Vaccinators on
the reorganization of the Department, they (the
Vaccinators) whose services were dispensed with
were distinctly told to apply through the several
Zillah Surgeons in the Collectorate in which
they served, for the gratuity to which they were
entitled. But it was found that the necessary
information required to fill up their Gratuity
Rolls, was not forthcoming, as no Register of
the Vaccinators appears to have been kept. Con-
sequently these men, after waiting for a
while, dispersed themselves and were not
seen again. Such men as waited the
procuring of the necessary information from
the several Collectorate had their Gratuity Rolls
sent in ^{from time to time} ~~at intervals~~, and received their gratuities.

2. I perceive that all those entitled to gratuities,
have either had their claims settled, or the
Rolls are with the Examiners of Claims, with
the exception of the man who was petitioned.

3. This Department is not to blame for
the delay that has occurred in settling the
claims of these men. I had simply to
receive applications and forward them

Gratuity delay in forwarding

Vaccinators Roll

The several Lillah Surgeons & furnished
 the required Gratuity Rolls, and as already
 stated there has been much delay, owing to
 the absence of records of the services of the
 Vaccinators. I wrote repeatedly for infor-
 mation, and now represent the hard
 case of many of these men, and begged that
 their case might be considered as an exception ^{vide letter No 228}
 to the rule, which the framing of claims would ^{B. dated Cuddalore}
 not admit. ^{27 July 1865}

4. With reference to the man who petitions,
 I can do nothing but forward the application
 to the Lillah Surgeon of Salem for the necessary
 information, and on the receipt of the Gratuity
 Roll duly filled in, it will be forwarded on
 without delay.

5. With the explanation and the correspondence
 quoted in the ^{attachment} ~~minutes~~, I respectfully trust
 that the Inspector General will be pleased
 to exonerate me from all blame in the
 matter.
