Memo

The undersigned has the honor in returning Memo No 1185/604 to state

1st That great difficulty was experienced in obtaining verifications of service from other Departments, some men had served in Tellicherry others in Palghaut, the jails, or the Taluks, almost all over-estimated their actual service, their house names could with difficulty be traced in old records. ———

2 Medical Certificates are altered as requested.

K Cheekut Nair

3 Explanation cannot be afforded as to break of service from 6th to 15th October, men must be considered unemployed -

4. The original examination of these men was made by Dr Pearse Civil Surgeon who noted his remarks in the margin of a roll of the men's names, Supt sent true copies of those remarks to the Chief Office when submitting the roll but was informed that original certificates duly signed by the Surgeon must be submitted. Dr Pearse had left for England and the shortest way seemed to be to send the men up for fresh examination by the Civil Surgeon Dr Brockman, that was done —

5. The entry 6th October in the gratuity Roll was incorrect as the monthly Return shews the 5th October. but

there

there is some doubt apparently for the Superintendent of Jail declines to alter the date of their leaving Jail Department to 4th October -
