ORDER THEREON, 18th July 1868, No. 221.

The Government observe that the operation of the Orders noted in the margin has been to render service in Estates which are temporarily under Government management ineligible to count for pension or gratuity, unless in certain cases; of which the case in point is not one. The Peon to whom this reference relates, having obtained employment in such an Estate, is, so far as his claims on Government for pension or gratuity are concerned, in the same situation as if he were employed by the Zemindar, and the same conditions must apply to all aspects of his service, which must practically be held to be private, as it is essentially temporary, and cannot be held to vitiate his claim to compassionate allowance. When he entered the Government Service the rules were different, and he is entitled to claim for pension the service then rendered, although in a similar capacity to that which, owing to a change of rule, now gives no claim to pension.

2. The report of the Examiner of Claims will be withdrawn from the Collectors' letter and sent to the Examiner with the above remarks.

From, G. Thornhill Esquire
Collector of the Kistna District

To, The Honorable R. S. Ellis C. B.
Chief Secretary to Government
in the Civil Pension Department

Sir, Fort Saint George

1 I have the honor to request the orders
of Government on the following question con-
=nected with an application for compassionate allow-
=ance:-

2 Peon Khasim Beig served Government for
a period of 31 years. during the revision of
Taluk Establishments according to Mr Pelly's scale,
he was thrown out of employ on the 1st March 1862,
and was paid gratuity of Rs 24 in April 1863. he
has since been without employ:-

3 The order of Government that com-
=passionate allowance of Rs 2-8-0 a month should
be given to reduced peons of 30 years service
was received in 1864. - In 1865 Khasim Beig
applied for the same:-

4 Pending enquiry into the details of his
Service

service in the Divisional Offices, Khavim Beig
having no other means of livelihood, was
appointed as a peon on the Establishment
deputed to take charge of Sullapully Zemindary
Estate, temporarily attached for arrears of
Paisahs - he still holds that post and his
pay is charged to collections of the Estate. -

5 Reports having been received from
the Talukds to the effect that the records by
which Khavim Beig's services might have
been verified were lost in the cyclone of 1st
November 1864, an affidavit was taken
from him as to the truth of his service. -

6 A Register of an application for
compassionate allowance was forwarded
to the Accountant General on behalf of the
Peon, who agreed to resign his post as soon
as the allowance is sanctioned, and to refund
the gratuity. -

7 This application was returned by
the Examiner of claims with the enclosed
Docket, from which it appears that the peon
is not entitled to compassionate allowance
as he is now employed in an appointment
of the same nature as the first one entered in
his service list. -

8 On reference to the 2nd page of the
Register

119
Register, the Government will observe that
only 2 years service was on the Zuply Establish-
ment of Dancarakotta Parganah in 1831 and
1832 - It has already been ruled by Govern-
ment that such services rendered prior to
the year 1862 can be taken to account towards
the grant of Pension. -

9 As the Peon is willing to resign the post,
I request the Government will be pleased to
grant him Compassionate allowance at Rs 2-8-
a month from the date of his retirement, except
for the periods during which he has held his
present post. -

10 The fact that this old servant took
temporary service during the time that his claims
for compassionate allowance ^{are} under investigation cannot,
I feel sure, be allowed to deprive him of the
indulgence to which he would otherwise have been
entitled. -

I have the honor to be,

Sir,

Your most obedient servant
