*Proceedings of the Madras Government, Pension Department,
18th July 1868.*

Read again the Proceedings of Government, dated 11th May 1868, No. 138.

Read also the following letter from the Collector of Nellore.

(Here enter 20th May 1868, No. 1432.)

ORDER THEREON, 18th July 1868, No. 224.

In this case, the applicant, Venkatanarasu, has served Government, as a Salt Clerk in the Nellore District, for twenty-seven years, three months, and thirteen days. His age is 51, and his salary for the last five years has been Rupees 15. In the medical certificate evidencing his inability to do further service, his disease is given as nervous debility, produced by the habit of drinking. The Collector had not noticed this remark, and the application was returned to him, and he was directed to report on the matter. The evidence on the point appears to be that of Mr. Freer, the Deputy Collector under whom applicant served, who speaks of him as "superannuated through strong drink," and from whose letter it is clear that applicant's habits were matter of notoriety. It was from Mr. Freer's letter that the Medical Officer obtained his information.

2. Having these facts before them, the Government decline to grant Venkatanarasu the half pension of Rupees 7-8-0 to which he is eligible; but, in consideration of his twenty-six years' service, they resolve to grant him a reduced pension of Rupees 6-8-0, with effect from the 1st November 1867, payable at the Nellore Treasury.

3. The Collector should have, in the first instance, brought prominently to the notice of Government the cause of this applicant's incapacity for further service.

4. The Zillah Surgeon while observing that Applicant's inability to serve Government any longer was contracted on general service, further observed, that he understood that it was owing to intemperate habits on the part of the applicant, that had rendered him incapable for further employment.-

5. The latter statement of the Zillah Surgeon is derived from the copy of the Dy. Collector's letter which I forwarded to him. ~~and~~ Considering the long period of service of Venkatanarayan viz 27 1/2 years. I beg to recommend that a slightly reduced Pension than the one which he is entitled under the rules may be granted as in the recent case of Mr. Bartholomew. Venkata-
-narayan is upwards of 51 years of age and has performed good service in his day.-

Enclosure. No. 2.

Forwarding copy
of a letter No. 230 dated
17th October 1867 from the
late As. Salt Dy. Collector of
Bellare & recommending
A. Venkatanarasu for
a slightly reduced pension
than the one to which he is
entitled as in a recent
case of Mr. Bortholomew

on the matter. The evidence
on the point appears to
be that of Mr. Freer, the
deputy Collector under
whom applicant served,
who speaks of him as "super-
annuated through strong
drink," and from whose
letter it is clear that ap-
plicant's habits were
matter of notoriety. It
was from Mr. Freer's letter
that the medical Officer ob-
tained his information.

Having these facts
before them, the Govern-
ment decline to grant
Venkatanarasu the half
pension of Rupees 7-8-0
to which he is eligible;
but in consideration of
his 26 years service, they
resolve to grant him a
reduced pension of Rupees
6-8-0, with effect from
the 1st November 1867 pay-
able at the Bellare Sca-
=camp.

The

Mr. Bartholomew, in the same
district, after 20 years service,
was incapacitated by drink-
ing, & received a gratuity of
Rs 11-8-0 to which he was eligi-
ble. The same proportion
would give applicant Rs 6-
but as he served 7 years
longer - I thought he might
be more leniently treated
